Respondent stipulates on June 5, 2009 a complaint was filed with the Board by Mr. Carville C. Webb (hereinafter referred to as "Complainant") alleging Respondent performed engineering services relative to an onsite sewage disposal system for property located at 349 River Forest Court, Millbrook, Alabama; but failed to provide the "Appendix C: CEP 6- Engineers Onsite Sewage Disposal System Certification" to the Elmore County Health Department in a timely manner.

Respondent stipulates he failed to submit in a timely manner the "Appendix C: CEP 6 Engineers Onsite Sewage Disposal System Certification" to the Elmore County Health Department relative to property located at 349 River Forest Court, Millbrook, Alabama. Respondent further stipulates he sought to require his client (the complainant) to sign a "Storm Spillage Agreement" that identified him as a "Managing Member" for S & C Properties, LLC and released him in part from any liability for damage resulting from water runoff from lots 9A and 11A onto the lot owned by the complainant.

STIPULATED CONCLUSIONS OF LAW

Respondent, in his capacity as a licensed professional engineer in the State of Alabama, stipulates in such capacity he is subject to the provisions of Title 34, Chapter 11, Code of Alabama 1975, and the Rules of Regulations of the *Administrative Code* of this Board.

Respondent stipulates his conduct as set forth in the foregoing "Stipulated Facts" may constitute violations of Title 34, Chapter 11, Code of Alabama 1975 § 34-11-11(a)(2) and the Rules and Regulations of the Board's *Administrative Code* § 330-X-14-.02(a), § 330-X-14-.06(a) (1) and (5).

3. Respondent agrees his professional engineer license is subject to two (2) years probation commencing immediately on the date the Final Order is issued by the Board.

4. Respondent agrees to provide documentation to the Board supporting his completion of the ten (10) professional development hours continuing professional competency course sponsored by the Murdough Center for Engineering Professionalism, College of Engineering, Texas Tech University within six months of the date of the Final Order. 6. Respondent understands his failure to submit payment of the specified penalty within six months of the due date of the fifth payment shall cause his State of Alabama professional engineer license to be revoked (pending ratification of the Board). This matter would then be presented to the Board for ratification at its next regularly scheduled meeting. Respondent understands he has the right to appear at that meeting and present any facts or extenuating circumstances to the Board.

7. Respondent agrees this Consent Order is subject to the approval of the Board and has no force and effect until a Final Order based upon it is rendered by the Board.

8. Respondent agrees any violation of the terms of this Consent Order may result in the Board filing additional charges in accordance with Title 34, Chapter 11, Code of Alabama 1975.

Respondent understands he has the right to be present when this matter is discussed but hereby waives that right.

10. Respondent understands he has the right to seek the advice of legal counsel. Respondent also understands he has the right to a formal fact finding hearing before the Board, to compel the testimony of witnesses, to cross-examine witnesses against him, and to obtain judicial review of the Board's decision in said formal hearing but expressly waives these rights with execution of this Consent Order and Final Order of the Board.

11. Respondent expressly waives all further procedural steps, and expressly waives all rights to seek judicial review or to otherwise challenge or contest the validity of the Consent Order, the stipulated facts, conclusions of law and imposition of administrative action contained herein, and the Final Order of the Board incorporating said Consent Order.
