HEARINGS

The hearing originally scheduled for September 22, 2016 was continued to a later date.

APPLICATIONS – Mr. Nathan Johnson, Advisor

Applicants whose applications were previously denied or deferred who wished to appear before the board did so. Mr. Riley Robertson appeared with his PE supervisors. Ms. Katherine Hollinger appeared with her PE supervisor. The Board delayed in ruling on their applications until later in the meeting.

UNFINISHED BUSINESS

Due to the number of individuals wishing to address the Board, the Board took the unfinished business regarding the proposed revisions to the Administrative Rules about procurement methods next. Representatives of ACEC, ASCE, and ASPLS spoke on behalf on their societies. Various arguments, pro and con, to the requiring of a quality based selection process for engineering and land surveying services for public and private work were made. Following the presentations there was an open discussion about QBS and the actions that the Board had already agreed to take. It was explained that the Legislative Reference Service had already been notified that the Board wished to rescind their request for the Oversight Commission to review the existing rules. Per the direction of Mr. Barter, Board Chair, action to submit the proposed repealing for the public comment period had been delayed until this board meeting. A quick review of the rule making process was done so all individuals understood the process and timing involved. Some individuals believed that it was better to not to move forward in the repealing of the existing rules without having substitute language.

16-146. IT WAS MOVED by Mr. Christy and seconded by Mr. Whorton to rescind Motions 16-140 and 16-141 which had been passed at the July 2016 board meeting. MOTION CARRIED 3-1 with Mr. Johnson voting in the negative.

Upon conclusion of this discussion the Board resumed the original agenda order.

Action items from previous meeting were reviewed.
