

**MINUTES OF SIXTH MEETING
2017-2018 BOARD OF LICENSURE
FOR PROFESSIONAL ENGINEERS AND LAND SURVEYORS
Montgomery, Alabama
May 22, 2018**

The Alabama Board of Licensure for Professional Engineers and Land Surveyors was established by legislative action in 1935. Its charter is to protect the public by helping to safeguard life, health, and property, and to promote the public welfare by providing for the licensing and regulation of persons in the practices of engineering and land surveying. This purpose is achieved through the establishment of minimum qualifications for entry into the professions of engineering and land surveying, through the adoption of rules defining and delineating unlawful or unethical conduct, and through swift and effective discipline for those individuals or entities who violate the applicable laws or rules.

Board meeting notices are posted on the Open Meetings area of the website of the Secretary of State, and the Board's website under Dates and Deadlines.

CHAIR'S REPORT

The Board discussed the attendance of Board Members at society meetings. After this discussion, the Board determined that its policy would be as follows: The Executive Director will serve as the Board's Representative and when his schedule permits will attend (when invited) meetings of any organization that is a member of the Board's nominating committees. His travel to the meetings should not exceed more than two-hours (one-way) drive time.

EXECUTIVE DIRECTOR'S REPORT

The Board was briefed on the 3% raise to be given to State employees effective October 1, 2018 and discussed the length of time that disciplinary actions should be available on the Board's website. The Board determined to leave the information on the website indefinitely.

CORRESPONDENCE

The Board discussed a Petition for a Declaratory Opinion submitted by Mr. Forest Wilson regarding the involvement of one firm in multiple aspects of a project. Mr. Wilson met with the Board and was advised that his firm could provide a client multiple services. The Board further advised Mr. Wilson it would issue its opinion within the next 30 days.

The Board discussed documentation submitted by the Alabama Section of the Institute of Transportation Engineers requesting that the firm be allowed to use the term "Engineers" in its name without being required to obtain a certificate of authorization. The documentation indicated that the organization does not offer engineering services and has been advised by their international organization to incorporate in their respective states for tax purposes.

18-098. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson to provide a no-objection letter to Alabama Section of the Institute of Transportation Engineers allowing the organization to use the term "Engineers" in its name. MOTION CARRIED 6-0.

The Board discussed documentation it received from Deanette C. Schonbachler of S8| Engineering that requested the firm be allowed to use the term "Engineering" in its name without being required to obtain a certificate of authorization. The documentation advised that the organization is a chemical engineering and construction firm that is currently going through the process of changing its name from Tessengerlo Kerley Services Inc, to S8 | Engineering.

18-099. IT WAS MOVED by Mr. Johnson and seconded by Mr. Grace to disapprove S8| Engineering's request that the firm be allowed to use the term engineering in its name without meeting the certificate of authorization requirements. MOTION CARRIED 6-0.

The Board discussed documentation it received from Alisa A. Wisse that requested that ITT Engineered Valves LLC be allowed to use the term "Engineered" in its name without being required to obtain a certificate of authorization. The documentation indicates that ITT is a sales and manufacturing firm and does not offer engineering services.

18-100. IT WAS MOVED by Mr. Johnson and seconded by Mr. Barter to disapprove ITT Engineered Valves LLC's request that the firm be allowed to use the term engineering in its name without meeting the certificate of authorization requirements. MOTION CARRIED 6-0.

The Board discussed documentation it received from Chris Gibbons requesting that Lifecycle Logistics & Engineering Solutions LLC be allowed to use the term "Engineering" in its name without being required to obtain a certificate of authorization. The documentation indicated that the primary scope of work the company will provide is logistical support for operational and programmatic sustainment. The other side of the operation will be procurement and warehousing support for their clients. No engineering or design work will be performed by the organization.

18-101. IT WAS MOVED by Mr. Johnson and seconded by Mr. Christy to disapprove Lifecycle Logistics & Engineering Solutions' request that the firm be allowed to use the term engineering in its name without meeting the certificate of authorization requirements. MOTION CARRIED 6-0.

Board Member Randy Whorton returned and began to participate in the meeting at 2:40 pm.

LEGISLATIVE – Mr. Randall Whorton, Advisor

The Board began reviewing the Administrative Code to determine the changes needed once Act # 2018-550 becomes effective on July 1, 2018. As part of the discussion the Board directed staff to contact various Business Development Organizations to determine if the organization would consider becoming part of the Nominating Committee for the new public member Board positions.

18-102. IT WAS MOVED by Mr. Johnson and seconded by Ms. Adams-Morales to submit the agreed upon proposed changes regarding Chapter 330-X-1 of the Administrative Code to the Legislative Services Agency to begin the rule adoption process. MOTION CARRIED 7-0.
