It was determined that a quorum was present. The meeting was opened with a prayer.

The proposed meeting agenda was reviewed.

16-021. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde to adopt the proposed agenda. MOTION CARRIED 6-0.

Minutes of the first meeting of the 2015-2016 Board were received for approval.

16-022. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde that the minutes of the first meeting of the 2015-2016 Board held November 4-5, 2015 be approved as written. MOTION CARRIED 6-0.

Action items from previous board meetings were reviewed.

HEARINGS

Mr. Richard Klein had filed a request for a hearing before the Board in regards to his previously surrendered professional engineer license. A hearing regarding the reinstatement was conducted.

16-023. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde that the Board go into executive session for deliberations on the reinstatement hearing. Mr. Barter, Mr. Christy, Mr. Grace, Ms. Hyde, Mr. Johnson, and Mr. Whorton voted in favor of the motion. MOTION CARRIED 6-0.

Mr. Barter announced the Board would reconvene into open session in approximately 15 minutes. The meeting was closed to the public. The meeting was reopened at 9:20 A.M.

16-024. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace to approve Mr. Klein's petition for reinstatement of his professional engineering license. MOTION CARRIED 6-0.

The disciplinary hearing originally scheduled had been continued at the request of the respondent's attorney. The Board discussed possible dates for scheduling the hearing. It was determined to have the hearing at the Board office in Montgomery and see if March 8-9 or March 10-11 were agreeable to all parties.

APPLICATIONS – Mr. Nathan Johnson, Advisor

The Board previously authorized the Executive Director to approve applications for licensure, intern certification, and examinations if the application is in order and all requirements have been met. All applications for licensure, intern certification and examinations issued since the November 12- 2015 Board Meeting were reviewed.

Applications of those applying for Professional Engineer licensure by comity, as provided by Section 34-11-4(1)(b) of the Licensure Law, were considered.

Applications of those applying for Professional Engineer licensure by examination, as provided by Section 34-11-4(1)a. and b. of the Licensure Law having previously passed the FE Examination in Alabama or in another jurisdiction, were considered.

Applications of those applying for Engineer Intern certification, as provided by Section 34-11-4(2) of the Licensure Law, were considered.

Applications of those applying for Land Surveyor licensure by examination, as provided by Section 34-11-4(3)a., b., and c. of the Licensure Law, were considered. Applications of those applying for Professional Land Surveyor licensure by examination having previously passed the Fundamentals of Land Surveying Examination and the Principles and Practice of Land Surveying Examination in Alabama or in another jurisdiction were considered and were approved for the Alabama Land Surveying Standards, History, and Law Examination.

16-025. IT WAS MOVED by Ms. Hyde and seconded by Mr. Johnson that the Board ratify the approval of licenses issued since the November 4-5, 2015 Board Meeting and that the list of those issued be included in the minutes on **Attachment #1**. MOTION CARRIED 6-0.

- 16-026. IT WAS MOVED by Mr. Grace and seconded by Ms. Hyde that the Board ratify the approval for examination those applicants approved since the November 4-5, 2015 meeting and listed as approved on **Attachment #2**. MOTION CARRIED 6-0.
- 16-027. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson that the Board approves Harri Kaarlo Kytomaa for licensure by comity. MOTION CARRIED 6-0.
- 16-028. IT WAS MOVED by Mr. Johnson and seconded by Mr. Grace that the Board approves Delmer Allen Shannon for licensure by comity. MOTION CARRIED 4-2 with Ms. Hyde and Mr. Whorton voting in the negative.
- 16-029. IT WAS MOVED by Mr. Johnson and seconded by Mr. Grace that the Board defers for licensure Deborah McGowan Dantin. MOTION CARRIED 6-0.
- 16-030. IT WAS MOVED by Mr. Johnson and seconded by Ms. Hyde that the Board denies for licensure John F. Welch, Jr., Robert Dennis Winslow, Matthew Bryan Hammond, Barry Wayne Tanner, and Joshua Latham Meharg. MOTION CARRIED 6-0.
- 16-031. IT WAS MOVED by Mr. Grace and seconded by Mr. Johnson that the Board approves Peter Allen Adams, Ellen Elizabeth Hamby, Stephen Lee Wren, Craig Phillip Erdman, Jason M. Gustafson, and Jeffrey Scott Parker to sit for the professional licensing examination. MOTION CARRIED 6-0.

The Board discussed a petition for declaratory ruling that had been submitted by Mr. Robert Sternenberg. Mr. Sternenberg was asking the board for further guidance on what the board considered construction engineering experience and referenced his previously denied professional engineering application. The Board denied the request for a ruling since Mr. Sternenberg had an appeal process in which he could have appealed the denial of his application. It was felt that the request for a declaratory ruling was improper.

The Board considered a request from Mr. Jonathan Lovell who was asking for guidance from the Board as to what courses he might be short for his BS in Zoology to be accepted as a related science degree as it applies to professional engineering licensure. The Board noted that Mr. Lovell had already identified that he was short courses and determined they were not going to specifically identify courses. Mr. Lovell will be instructed that he should either compare the courses he has taken with the requirements as identified on the related science transcript evaluation form or have NCEES transcript services evaluate his education as it applies to the general math and science portion of their licensure standards.

The considered a request from Mr. Kevin McHugh who was requesting a waiver of the FE requirement for a professional engineering licensure by comity application. The Board denied the request since there was no provision in the Licensure Law to waive examination requirements.

LAW ENFORCEMENT – Ms. M. Elisabeth Hyde, Advisor

The Board reviewed the status of the files pending with the Board, the Investigator, and/or the Investigative Committee. The Board was briefed on the 2015-2016 statistics. Everyone was reminded

of the goal of having a recommendation on how to proceed with an investigation within 30 days of the completion of the investigation.

The Board reviewed the list of the current PE and PLS Technical Advisors. Everyone was encouraged to think about who might be willing to serve as a technical advisor.

Mr. Albritton suggested the Board to go into Executive Session to discuss pending legal matters.

16-032. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson that the Board go into executive session to discuss pending legal matters. Mr. Barter, Mr. Christy, Mr. Grace, Ms. Hyde, Mr. Johnson, and Mr. Whorton voted in favor of the motion. MOTION CARRIED 6-0.

Mr. Albritton, Board Attorney, confirmed that the reason for going into an executive session was valid. Mr. Barter announced that the Board would be in executive session for approximately 15 minutes. The Board came out of executive session at 12:00 P.M.

The Board reviewed pending cases that the investigative committees have completed to accept, modify, or reject the suggested courses of action. Cases that are being recommended for closure or where they are recommendations from the investigative committee are discussed in a sanitized format so that in the event the Board suggests another course of action that the due process of the investigation has not been compromised. Respondent's information is not divulged until after a proposed consent order is accepted and a final order is approved.

16-033. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde to close Case 2014-36-B with no formal action. MOTION CARRIED 5-0 with Mr. Barter recused.

16-034. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace to close Case 2015-45-B with no formal action. MOTION CARRIED 5-0 with Ms. Hyde recused.

CERTIFICATES OF AUTHORIZATION – Mr. Marc S. Barter, Advisor

The Board previously authorized the Executive Director to issue certificates of authorization to applying firms if the application is in order and all requirements have been met. A list of the certificate of authorizations issued since the November 2015 Board Meeting were reviewed.

16-035. IT WAS MOVED by Ms. Hyde and seconded by Mr. Christy that the Board ratify the approval of the Engineering and Land Surveying Certificates of Authorization issued since the November 2015 Board Meeting and that the list of those issued be included in the minutes on **Attachment #3**. MOTION CARRIED 6-0.

The Board discussed the Certificate of Authorization applications that had exceptions.

16-036. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde to disapprove the applications for Interactive Resources Inc. and BRPH Architects-Engineers Inc. and

defer Sandcastle Consulting PC. MOTION CARRIED 5-1 with Mr. Johnson voting in the negative about Sandcastle Consulting PC.

The Board considered a request from the owners of Wingfield Engineering Company who were asking permission to continue being able to use "Engineering" in their title without having a CA. The PE who had been serving as their principal has retired and there are no other PE's employed in the company.

16-037. IT WAS MOVED by Ms. Hyde and seconded by Mr. Christy to disapprove Wingfield Engineering Company's request to be able to continue the use of their name without having a CA. MOTION CARRIED 6-0

LEGISLATURE – Ms. M Elisabeth Hyde, Advisor

The dates for the 2016 Legislative General Session and the efforts to get a bill introduced to change the licensure law were briefed.

FINANCE – Mr. Richard Grace, Advisor

The financial report for October, November and December 2015 were reviewed.

LAND SURVEYING – Mr. A. Frazier Christy, Advisor

The Board reviewed the results of the October 2015 PS and ALLS examinations. In conjunction with the Board looking at the statistics for these examinations, the concern about the decrease in PLS new licensees was discussed. The surveying task force was encouraged to continue to look at suggestions on how to deal with the decreasing numbers and the increasing median age of the licensed surveyors. Ms. Sellers, Executive Director of ASPLS, also provided comments on the decreasing number of surveyors. She also identified that many individuals are taking the opportunity to take classes through Great Basin University since they have now been approved to offer courses in Alabama.

16-038. IT WAS MOVED by Mr. Johnson and seconded by Ms. Hyde to accept the NCEES' recommended cutoff score for the PS examination, to accept the Board's recommended cutoff score for the ALLS examination, to approve the results of the PS and ALLS exams given October 2015, to license those individuals who passed the PS and ALLS exams having previously passed the FS exam and further that the list of those issued licensure as a result of passing these examinations be included in the minutes on **Attachment #1**. MOTION CARRIED 6-0.

ENGINEERING – Mr. Charles P Willis, Advisor

The Board reviewed the results of the October 2015 PE examinations.

16-039. IT WAS MOVED by Mr. Johnson and seconded by Mr. Christy to accept the NCEES' recommended cutoff score for the PE examinations, to approve the results of the PE

examinations given October 2015, to license those individuals who passed the PE exam having previously passed the FE exam and further that the list of those issued licensure as a result of passing these examinations be included in the minutes on **Attachment #1**.
MOTION CARRIED 6-0.

EXECUTIVE DIRECTOR'S REPORT

The Executive Director briefed possible changes to the Administrative Rules. The Board determined to not submit rule changes until it is determined whether there will be any changes to the licensure law this year.

The Board reviewed the resumes of those PE's who had identified that they would be interested in serving on the Alabama Onsite Wastewater Board. The Board members reviewed all the resumes and trimmed the list to the five best candidates. Each board member was then polled which 3 names were their picks. The three individuals gaining the most votes were sent in alphabetical order to the Speaker Mike Hubbard for his appointment. The three names being submitted are Mr. James Chitwood, Mr. Darren Hamrick, and Mr. A. Frank McFadden.

The agenda for the upcoming NCEES Southern Zone Meeting were briefed.

16-040. IT WAS MOVED by Ms. Hyde and seconded by Mr. Johnson that Mr. Barter and Mr. Christy be designated as the NCEES funded delegates to the Southern Zone Meeting.
MOTION CARRIED 6-0.

CORRESPONDENCE

The Board reviewed a Request for an Opinion from an attorney who was requesting a board opinion on whether services in a scope of work were the practice of engineering and/or surveying. The Board noted that it was difficult to issue a formal opinion with the limited amount of information provided. All board members agreed that some aspects of the scope should be done by PE's but that also some of the work could be accomplished by other trained individuals. The Board did not issue an opinion on the limited information.

NEW BUSINESS

Ms. Hyde identified a request being submitted from her firm that was asking for the Board's ruling about whether it was against the licensing law and Code of Ethics for PE's to sign plans that were developed outside of the PE's supervision. The issues were discussed and a draft opinion will be developed citing the section of the Law and Code applicable so that the Board can review it for adoption at a later meeting.

The Executive Director briefed the Board on the follow-on discussion she had with the Board of Architects. Mr. Whorton (lead), Mr. Barter, Mr. Christy, and Ms. Hyde identified that they would be interested in working with the architects to produce an updated Building Officials Handbook.

OPEN FORUM

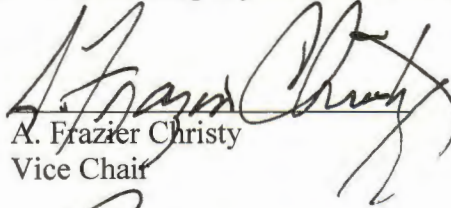

No additional comments made during the open forum.

**MINUTES OF THIRD MEETING
2015-2016 BOARD OF LICENSURE
FOR PROFESSIONAL ENGINEERS AND LAND SURVEYORS
Montgomery, Alabama
February 9, 2016**

Chair Barter called the third meeting of the 2015-2016 Board to order at 12:00 P.M., Tuesday, February 9, 2016 at the Board Office, Montgomery, Alabama. The following were in attendance:

Officers and Members Present:

Marc. S. Barter	Chair
A. Frazier Christy	Vice Chair
M. Elisabeth Hyde	Secretary (arrived at 1:00 P.M.)
Richard G. Grace	Member
Nathan G. Johnson	Member
Randall D. Whorton	Member
CHARLES WILKIS	MEMBER

Staff Present:

Regina A. Dinger	Executive Director
William R. Huett	Assistant Executive Director
Bonnie Kelly	Executive Secretary
Benjamin Albritton	Board Attorney

It was determined that a quorum was present. The meeting was opened with the Pledge of Allegiance and a prayer.

The proposed meeting agenda was reviewed.

16-041. IT WAS MOVED by Mr. Barter to strike Agenda Item N-1 from the agenda. Motion died for lack of a second.

16-042. IT WAS MOVED by Mr. Christy and seconded by Mr. Willis to adopt the proposed agenda. MOTION CARRIED 5-1 with Mr. Barter voting in the negative.

Minutes of the second meeting of the 2015-2016 Board were received for approval.

16-043. IT WAS MOVED by Mr. Grace and seconded by Mr. Christy that the minutes of the second meeting of the 2015-2016 Board held January 12, 2016 be approved as written. MOTION CARRIED 6-0.

Action items from previous board meetings were reviewed.

HEARINGS

The disciplinary hearing originally scheduled had been continued at the request of the respondent.

APPLICATIONS – Mr. Nathan Johnson, Advisor

The Board previously authorized the Executive Director to approve applications for licensure, intern certification, and examinations if the application is in order and all requirements have been met. All applications for licensure, intern certification and examinations issued since the January 12, 2016 Board meeting were reviewed.

Ms. Hyde arrived for the meeting.

Applications of those applying for Professional Engineer licensure by comity, as provided by Section 34-11-4(1)(b) of the Licensure Law, were considered.

Applications of those applying for Professional Engineer licensure by examination, as provided by Section 34-11-4(1)a. and b. of the Licensure Law having previously passed the FE Examination in Alabama or in another jurisdiction, were considered.

Applications of those applying for Engineer Intern certification, as provided by Section 34-11-4(2) of the Licensure Law, were considered.

Applications of those applying for Land Surveyor licensure by examination, as provided by Section 34-11-4(3)a., b., and c. of the Licensure Law, were considered. Applications of those applying for Professional Land Surveyor licensure by examination having previously passed the Fundamentals of Land Surveying Examination and the Principles and Practice of Land Surveying Examination in Alabama or in another jurisdiction were considered and were approved for the Alabama Land Surveying Standards, History, and Law Examination.

16-044. IT WAS MOVED by Mr. Christy and seconded by Mr. Willis that the Board ratify the approval of licenses issued since the January 12, 2016 Board Meeting and that the list of those issued be included in the minutes on **Attachment #1**. MOTION CARRIED UNANIMOUSLY.

16-045. IT WAS MOVED by Mr. Willis and seconded by Mr. Christy that the Board ratify the approval of Intern Certifications issued since the January 12, 2016 Board Meeting and that the list of those be included in the minutes on **Attachment #2**. MOTION CARRIED UNANIMOUSLY.

16-046. IT WAS MOVED by Mr. Willis and seconded by Mr. Johnson that the Board ratify the approval for examination those applicants approved since the January 12, 2016 meeting and listed as approved on **Attachment #3**. MOTION CARRIED UNANIMOUSLY.

16-047. IT WAS MOVED by Mr. Johnson and seconded by Mr. Willis that the Board ratify the conversion from pending status to inactive status those applicants listed on **Attachment #4**. MOTION CARRIED UNANIMOUSLY.

16-048. IT WAS MOVED by Mr. Whorton and seconded by Mr. Grace that the Board approves Ronald Edward Jackson, Jr. for licensure by comity. MOTION CARRIED UNANIMOUSLY.

- 16-049. IT WAS MOVED by Mr. Whorton and seconded by Mr. Christy that the Board approves Daniel Heath Price for intern certification. MOTION CARRIED UNANIMOUSLY.
- 16-050. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson that the Board denies for licensure Michael Adam Conner and Rene Romeo Salinas for licensure. MOTION CARRIED UNANIMOUSLY.
- 16-051. IT WAS MOVED by Mr. Whorton and seconded by Ms. Hyde that the Board approve for examination those applicants listed as "approved" on **Attachment #5** to sit for the professional licensing examinations. MOTION CARRIED UNANIMOUSLY.
- 16-052. IT WAS MOVED by Mr. Grace and seconded by Mr. Willis that the Board defer for examination those applicants listed as "deferred" on **Attachment #5**. MOTION CARRIED UNANIMOUSLY.
- 16-053. IT WAS MOVED by Mr. Grace and seconded by Ms. Hyde that the Board deny for examination those applicants listed as "denied" on **Attachment #5**. MOTION CARRIED UNANIMOUSLY.

LAW ENFORCEMENT – Ms. M. Elisabeth Hyde, Advisor

The Board reviewed the status of the files pending with the Board, the Investigator, and/or the Investigative Committee. The Board was briefed on the 2015-2016 statistics.

The Board reviewed pending cases that the investigative committees have completed to accept, modify, or reject the suggested courses of action. Cases that are being recommended for closure or where they are recommendations from the investigative committee are discussed in a sanitized format so that in the event the Board suggests another course of action that the due process of the investigation has not been compromised. Respondent's information is not divulged until after a proposed consent order is accepted and a final order is approved.

- 16-054. IT WAS MOVED by Mr. Willis and seconded by Mr. Johnson to accept the proposed consent order and issue the Final Order for Case 2015-39-C. It was determined that there was probable cause that ClearSpan Fabric Structures, an uncertificated firm was offering engineering services in Alabama. The accepted terms of the Consent Order are that ClearSpan Fabric Structures will pay a \$1243 civil penalty made payable to the State General Fund and will pay the Board \$257 for the cost of the investigation, that they will cease and desist the practice or the offer to practice engineering in Alabama until such time as they are issued a Certificate of Authorization for Engineering, and the Consent Order and Final Order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 6-0 with Mr. Barter recused.
- 16-055. IT WAS MOVED by Mr. Willis and seconded by Mr. Grace to accept the proposed consent order and issue the Final Order for Case 2015-49-B. It was determined that there was probable cause that Richard P. Daniel, PE #26539, had failed to meet the continuing professional development requirements for his 2015 licensure renewal. The

accepted terms of the Consent Order are that Richard P. Daniel will pay \$255 to the Board for the cost of the investigation and will pay a \$1,500 fine to the Board, his license to practice engineering is suspended for six months with the suspension being stayed, he must provide certificates showing completion of 15 professional development hours to the Board by May 1, 2016 with the understanding that these hours are in addition to those hours required for his 2016 renewal, and the Consent Order and Final Order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 6-0 with Mr. Barter recused.

16-056. IT WAS MOVED by Mr. Johnson and seconded by Mr. Willis to close Case 2016-05-B with no formal action. MOTION CARRIED 6-0 with Ms. Hyde recused.

16-057. IT WAS MOVED by Mr. Willis and seconded by Mr. Grace to close Case 2015-26-B with no formal action. MOTION CARRIED 6-0 with Mr. Johnson recused.

CERTIFICATES OF AUTHORIZATION – Mr. Marc S. Barter, Advisor

The Board previously authorized the Executive Director to issue certificates of authorization to applying firms if the application is in order and all requirements have been met. A list of the certificate of authorizations issued since the January 2016 Board Meeting were reviewed.

16-058. IT WAS MOVED by Mr. Willis and seconded by Mr. Johnson that the Board ratify the approval of the Engineering and Land Surveying Certificates of Authorization issued since the January 2016 Board Meeting and that the list of those issued be included in the minutes on **Attachment #6**. MOTION CARRIED UNANIMOUSLY.

CORRESPONDENCE

The agenda item that involved Mr. Robert Sternenberg was taken out of order from the approved agenda since Mr. Sternenberg was present and wished to discuss his request to the Board. Mr. Sternenberg requested the Board to reconsider their recent decision where they determined they were not going to issue an opinion Mr. Sternenberg's previously denied professional engineering licensure application. Mr. Sternenberg explained that he was not requesting a specific ruling on his application but was requesting the Board to issue guidance on what was construction engineering and suggestions as to how to get experience verifications from professional engineers since there were so few in that particular industry. It was pointed out that previous Boards have approved a mentorship process whereby a licensed professional engineer not directly in the same firm as the applicant provides engineering mentorship. It was suggested that a construction engineering discipline guideline for mentorship be developed for possible adoption by the Board.

LEGISLATURE – Ms. M Elisabeth Hyde, Advisor

Legislation that had been filed in the 2016 General Session was briefed.

CHAIR'S REPORT

The Board was briefed on the efforts to reformat the annual report from statistical information to look like a corporate report. Drafts of the reports will be distributed to the board members for their comments.

EXECUTIVE DIRECTOR'S REPORT

The Executive Director briefed the Board on the request received from the Speaker of the House in regards to the appointment to the Alabama Onsite Wastewater Board. Speaker Hubbard requested the Board to reconsider their nominees and to submit a new list of candidates for his consideration. The Board discussed the request and it was pointed out that a fair process had been used in selecting the first names.

16-059. IT WAS MOVED by Mr. Johnson and seconded by Mr. Willis to reconsider the original submission. MOTION CARRIED 6-1 with Mr. Barter voting in the negative.

16-060. IT WAS MOVED by Mr. Johnson and seconded by Mr. Willis to remove Mr. Darren Hamrick's name from the list and put Mr. Ryland's name of the list with the other two names remaining from the previous list. MOTION CARRIED 6-1 with Mr. Barter voting in the negative.

UNFINISHED BUSINESS

Mr. Christy briefed on the efforts to develop a method to deliver the state specific portion of the land surveying licensure examinations. The first objective is to get an option finalized for Alabama's exam and then see how to develop options for use by Mississippi and Florida. It was noted that the surveying task force's priority was to resolve the exam issue but they needed to resume work on the rest of the task force's objectives including if a resolution to the QBS issued could be developed.

OPEN FORUM

No additional comments made during the open forum.

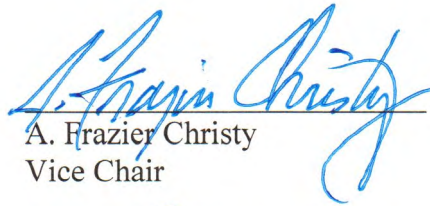

Prior to adjourning the meeting the Board reviewed the proposed law changes taking into consideration comments that had been received following the townhall meetings and webinar. Once the changes are finalized efforts will begin to get a bill introduced in the legislature.

CLOSING REMARKS

The next meeting of the Board for board business is scheduled for Wednesday, March 30, 2016 at the board office in Montgomery beginning at 8:00 A.M. The meeting adjourned at 5:10 P.M.

Applications with Substantially Equivalent for Experience Verification

Purpose of Substantially Equivalent Verifier – if there was no PE within the company, a graduate engineer could verify the experience. You are looking to see if when the applicant and verifier worked together, if the verifier had made application, would you have given the verifier a license. If so, you would give credit for the experience. If not, no credit is given.

FORMAL HEARINGS

A formal disciplinary hearing was convened at 8:05 A.M. to hear testimony concerning a complaint against Mr. Roddy Fitzgerald, regarding allegations that he had copied PE seals and signatures onto plans that were not completed by the professional engineers. Mr. Fitzgerald appeared *pro se* at the hearing. A court reporter was present and a transcript of this proceeding was requested.

Ms. Dana Billingsley, contracted Administrative Law Judge, presided at this hearing. All board members present heard evidence presented by Assistant Attorney General Mr. Benjamin Albritton. The hearing was concluded at 3:10 P.M.

Ms. Billingsley will write her findings and conclusions that will be presented to the Board at a later board meeting at which time they will deliberate.

The proposed meeting agenda was reviewed. Additional agenda items were identified and were added to the agenda under New Business.

16-061. IT WAS MOVED by Mr. Johnson and seconded by Ms. Hyde to adopt the proposed agenda as amended. MOTION CARRIED 6-0.

Minutes of the third meeting of the 2015-2016 Board were received for approval.

16-062. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson that the minutes of the second meeting of the 2015-2016 Board held February 9, 2016 be approved as corrected. MOTION CARRIED 6-0.

Action items from previous board meetings were reviewed.

The meeting adjourned at 5:20 P.M. The meeting reconvened at 8:00 A.M., Thursday, March 31st at the Board office with all board members present with the exception of Mr. Willis.

APPLICATIONS – Mr. Nathan Johnson, Advisor

The Board previously authorized the Executive Director to approve applications for licensure, intern certification, and examinations if the application is in order and all requirements have been met. All applications for licensure, intern certification and examinations issued since the February 9, 2016 Board meeting were reviewed.

Applications of those applying for Professional Engineer licensure by comity, as provided by Section 34-11-4(1)(b) of the Licensure Law, were considered.

Applications of those applying for Professional Engineer licensure by examination, as provided by Section 34-11-4(1)a. and b. of the Licensure Law having previously passed the FE Examination in Alabama or in another jurisdiction, were considered.

Applications of those applying for Engineer Intern certification, as provided by Section 34-11-4(2) of the Licensure Law, were considered.

Applications of those applying for Land Surveyor licensure by examination, as provided by Section 34-11-4(3)a., b., and c. of the Licensure Law, were considered. Applications of those applying for Professional Land Surveyor licensure by examination having previously passed the Fundamentals of Land Surveying Examination and the Principles and Practice of Land Surveying Examination in Alabama or in another jurisdiction were considered and were approved for the Alabama Land Surveying Standards, History, and Law Examination.

16-063. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson that the Board ratify the approval of licenses issued since the February 9, 2016 Board Meeting and that the list of those issued be included in the minutes on **Attachment #1**. MOTION CARRIED 6-0.

16-064. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde that the Board ratify the approval of Intern Certifications issued since the February 9, 2016 Board Meeting and

that the list of those be included in the minutes on **Attachment #2**. MOTION CARRIED 6-0.

16-065. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace that the Board ratify the approval for examination those applicants approved since the February 9, 2016 meeting and listed as approved on **Attachment #3**. MOTION CARRIED 6-0.

16-066. IT WAS MOVED by Ms. Hyde and seconded by Mr. Johnson that the Board defers for licensure Yurianto Yurianto and Joshua Thomas Dobson and defers for intern certification Jharith Bahjat Al Aloosi. MOTION CARRIED 6-0.

16-067. IT WAS MOVED by Ms. Hyde and seconded by Mr. Johnson that the Board denies for licensure Matthew Bryan Hammond and Michael A. Conner. MOTION CARRIED 6-0.

16-068. IT WAS MOVED by Mr. Johnson and seconded by Mr. Grace that the Board defer for examination those applicants listed as "deferred" on **Attachment #5**. MOTION CARRIED 6-0.

16-069. IT WAS MOVED by Mr. Johnson and seconded by Ms. Hyde that the Board deny for examination those applicants listed as "denied" on **Attachment #5**. MOTION CARRIED 6-0.

LAW ENFORCEMENT – Ms. M. Elisabeth Hyde, Advisor

The Board reviewed the status of the files pending with the Board, the Investigator, and/or the Investigative Committee. The Board was briefed on the 2015-2016 statistics. A tentative dates were set for pending disciplinary hearings.

The Board considered a request received from David Fannon, a respondent in a case previously closed with an informal action. Mr. Fannon had appealed the Board's action to Circuit Court of Montgomery County. The Court remanded the case back to the Board to consider Mr. Fannon's request to remove the reprimand and hold the investigation open pending the conclusion of separate litigation filed by Mr. Fannon.

16-070. IT WAS MOVED by Ms. Hyde and seconded by Mr. Johnson to reopen the closed case, deny the request for the case to be put on hold and to set the matter for hearing. MOTION CARRIED 5-0 with Mr. Barter recused.

The Board reviewed pending cases that the investigative committees have completed to accept, modify, or reject the suggested courses of action. Cases that are being recommended for closure or where they are recommendations from the investigative committee are discussed in a sanitized format so that in the event the Board suggests another course of action that the due process of the investigation has not been compromised. Respondent's information is not divulged until after a proposed consent order is accepted and a final order is approved.

16-071. IT WAS MOVED by Mr. Johnson and seconded by Mr. Grace to accept the proposed Consent Order and issue the Final Order for Cases 2013-37-B, 2013-42-B, 2014-12-B, and 2015-11-B. It was determined that there was probable cause that Mr. Richard Borden, PE #13402 and PLS #13402 had violated various sections of the licensure law and Code of Ethics in the conducting of his professional engineering and professional land surveying practice. The accepted terms of the Consent Order are Mr. Borden's engineering and surveying license are suspended for four years, (with the suspension stayed), he must pay a fine of ten thousand dollars (\$10,000), and investigation costs of (\$2,225) to the Board in 8 quarterly payments. The first payment (\$1,529) is included with the Order and the remaining payments of (\$1,528) begin July 1, 2016; and he must provide a monthly list of the engineering and land surveying projects he performs for a period of two years beginning May 15, 2016. Mr. Borden also understands the Board may select any of the projects on the list for review and he will be required to submit all documentation related to those projects to the Board. He agrees to establish office procedures that insure clients and potential clients are provided a document that outlines the scope of services of the work he will perform and the work that will be performed under his direct supervision. The document must also include language that requires client authorization for changes to the agreed upon scope of services. A copy of these documents must also be available for inspection by Board staff. Mr. Borden agrees to allow Board staff to inspect his office records during normal business hours, he agrees to complete the three professional development hour course (Incident at Morales) sponsored by the Murdough Center for Engineering Professionalism at Texas Tech University within six months of the date of the Final Order with the understanding this course cannot be used to meet the pdh requirements for license renewal. Mr. Borden agrees any violation of the terms of this Consent Order could result in the Board removing the stay from the suspension. The Consent Order and Final Order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 6-0 with Mr. Barter recused.

16-072. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson to close Case 2015-21-B with no formal action. MOTION CARRIED 6-0 with Ms. Hyde recused.

16-073. IT WAS MOVED by Ms. Hyde and seconded by Mr. Christy to accept the proposed Consent Order and issue the Final Order for Case 2015-51-B. It was determined that there was probable cause the Mr. W. M. Varnon, PLS #9324, had multiple standards of surveying violations. The accepted terms of the Consent Order are Mr. Varnon must pay a \$2,000 fine to the Board, his license will be suspended (with that suspension stayed for 2 years, he must provide to the Board upon request a list of the surveying jobs performed within a one month period during the stayed suspension period. The surveys will be randomly selected for review for compliance with the standards of practice. The Consent Order and Final Order will be a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 5-0 with Mr. Johnson recused.

16-074. IT WAS MOVED by Ms. Hyde and seconded by Mr. Johnson to close Case 2016-07-C with no formal action. MOTION CARRIED 5-0 with Mr. Barter recused.

CERTIFICATES OF AUTHORIZATION – Mr. Marc S. Barter, Advisor

The Board previously authorized the Executive Director to issue certificates of authorization to applying firms if the application is in order and all requirements have been met. A list of the certificate of authorizations issued since the February 2016 Board Meeting were reviewed.

16-075. IT WAS MOVED by Mr. Grace and seconded by Mr. Johnson that the Board ratify the approval of the Engineering and Land Surveying Certificates of Authorization issued since the February 2016 Board Meeting and that the list of those issued be included in the minutes on **Attachment #4**. MOTION CARRIED UNANIMOUSLY.

The Board discussed the Certificate of Authorization applications that had exceptions.

16-076. IT WAS MOVED by Mr. Johnson and seconded by Mr. Grace to approve the application for Bumpers Land Surveying LLC. MOTION CARRIED 4-2 with Mr. Barter and Mr. Christy voting in the negative.

16-077. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde to deny the application for Atlantic Engineering Services LLC. MOTION CARRIED 6-0.

16-078. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace to deny the application for L I Smith & Associates, Inc. MOTION CARRIED 6-0.

16-079. IT WAS MOVED by Mr. Johnson and seconded by Mr. Grace to approve the application for Intersol LLC. MOTION CARRIED 5-1 with Mr. Barter voting in the negative.

LEGISLATURE – Ms. M Elisabeth Hyde, Advisor

Legislation that had been filed in the 2016 General Session was briefed.

CONTINUING PROFESSIONAL COMPETENCY – Mr. Marc S. Barter, Advisor

The Board was briefed on the progress of the continuing education audit. Options were discussed on how to simplify the audit process. It was decided to research if a pre-selection process where the licensees are notified prior to renewal that they have been selected for audit would streamline the process. If the necessary documents are not provided the individual would not be allowed to renew.

LAND SURVEYING – Mr. A. Frazier Christy, Advisor

The Board approved the results of the February 2016 state specific surveying examination.

16-080. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson to accept the Board's recommended cutoff score for the ALSS Examination, to approve the results of the

ALSS Exam given February 17, 2016, to license the individuals who passed the ALSS Exam having previously passed the FLS and PLS Exams and further that the list of those issued licensure as a result of passing these examinations be included in the minutes on **Attachment #1**.

EXECUTIVE DIRECTOR'S REPORT

The agenda for the upcoming NCEES Southern Zone Interim Meeting was reviewed.

Opportunities for attending meetings throughout the state were identified. It was emphasized that the priority should be to get a space on the programs instead of just having someone sit at a vendor table with little interaction while the educational seminars are in session. It was also decided that the board should continue to host educational webinars.

16-081. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson that there should be two board sponsored webinars per year. MOTION CARRIED 6-0

The senior staff members and the board members discussed the setting of timelines and deadlines for the various projects being completed by staff. It was clarified that the Request for Quotes for technical assistance in enforcement should fall into two categories – pre and post investigation. The executive director identified that a master deadline calendar that includes timelines is being produced. Also all the continuity books are being updated and where necessary are being initially created.

CORRESPONDENCE

The Board considered a request for a declaratory ruling that was received from the City of Wetumpka. The city was asking for a clarification whether a city had to employ a professional engineer to oversee the construction of all public works. The issue was discussed and it was determined that the answer was no citing Section 330-X-2(18) of the Administrative Code. A ruling will be drafted and provided to the Board for approval.

The Board approved a request from Mr. Charles Bowden who was requesting that he be reimbursed the reinstatement fee that he had paid for renewing his firm's CA after the January 31, 2016 deadline. His failure to renew was due to the death of his wife during the open renewal period.

16-082. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde to authorize the reimbursement of \$250.00 to Mr. Charles Bowden. MOTION carried 6-0.

The Board considered a request from Mr. Drew Hains. Mr. Hains was asking if the Board considered Naval Architecture and Marine Engineering as engineering disciplines. In his letter Mr. Hains cites that there are no references to those disciplines in the definition of "Practice of Engineering" although there are degrees awarded and NCEES has a Naval Architecture and Marine Engineering Discipline for the PE exam. It was the Board's opinion that the definition of "Practice of Engineering" is not an inclusive list and is reflective of the types of work that is considered engineering. Naval Architecture and Marine Engineering is a recognized discipline of engineering.

NEW BUSINESS

The status of the staff was discussed. It was explained that other than the executive director's position the deputy director's position, and the assistant secretary's position all the other staff were assigned to merit system positions. It was explained that for merit employees performance reports and merit raises are governed by the rules of state personnel. Discussions ensued on the best way to categorize the pay series for the non-merit positions. It was requested that job descriptions be created where they are missing and then performance reviews will be accomplished. The completed documents will be used when the Board considers whether raises should be requested for the executive director and deputy director.

It was noted that Mr. Keith Maxwell appears to using domain names on web sites that may be misleading. Staff was instructed to open an investigation.

The Board approved the proposed Position Statement of Subdivision Certification Statements and the proposed Declaratory Ruling on Supervision and Direct Control.

16-083. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde to adopt both opinions.
MOTION CARRIED 6-0.

OPEN FORUM

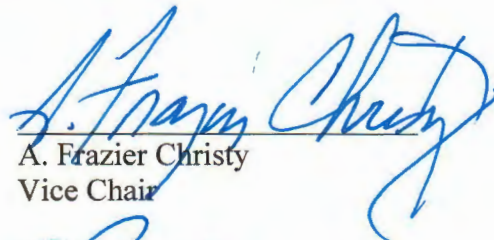

No comments made during the open forum.

CLOSING REMARKS

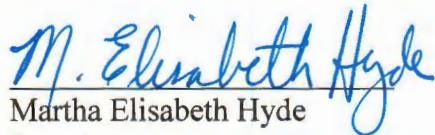

The next meeting of the Board for board business is scheduled for Wednesday, June 1, 2016 at the board office in Montgomery beginning at 12:00 P.M. The meeting adjourned at 1:55 P.M.

**MINUTES OF FOURTH MEETING
2015-2016 BOARD OF LICENSURE
FOR PROFESSIONAL ENGINEERS AND LAND SURVEYORS
Montgomery, Alabama
June 1-2, 2016**

Chair Barter called the fifth meeting of the 2015-2016 Board to order at 12:00 P.M., Wednesday, June 1, 2016 at the Board Office, Montgomery, Alabama. The following were in attendance:

Officers and Members Present:

Marc. S. Barter	Chair
A. Frazier Christy	Vice Chair
M. Elisabeth Hyde	Secretary
Richard G. Grace	Member
Nathan G. Johnson	Member
Randall D. Whorton	Member

Members Absent:

Charles Willis	Member (in attendance for June 2, 2016)
----------------	---

Staff Present:

Regina A. Dinger	Executive Director
William R. Huett	Assistant Executive Director
Bonnie Kelly	Executive Assistant
Benjamin Albritton	Board Attorney

It was determined that a quorum was present. The meeting was opened with the Pledge of Allegiance and a prayer.

The proposed meeting agenda was reviewed. Additional agenda items were identified and were added to the agenda under New Business.

16-084. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson to adopt the proposed agenda as amended. MOTION CARRIED 6-0.

Minutes of the fourth meeting of the 2015-2016 Board were received for approval.

16-085. IT WAS MOVED by Ms. Hyde and seconded by Mr. Grace that the minutes of the fourth meeting of the 2015-2016 Board held March 30-31, 2016 be approved as written. MOTION CARRIED 6-0.

Action items from previous board meetings were reviewed. The new method to track action items was explained. The Board agreed with the new system so the staff will develop the necessary files.

FORMAL HEARING

The formal hearing that was originally scheduled for Case 2014-33-B had been cancelled since the respondent has signed a consent order. The Board was briefed on the provisions of the Consent Order. It was noted that remittance for the fine had been included but the cost of the investigation was missing.

16-086. IT WAS MOVED by Ms. Hyde and seconded by Mr. Johnson to accept the proposed Consent Order and conditionally issue the Final Order for Case 2014-33-B. It was determined that there was probable cause that Mr. Marshall Wayne Corlew, PE #12775 had placed his signature and seal to plans that contained errors and were generally incomplete. The accepted terms of the Consent Order are Mr. Corlew's professional engineer's license will be suspended for two years with that suspension stayed; he will pay to the Board a \$2,500 fine and \$275.00 for the cost of the investigation; he agrees to provide a quarterly list to the Board of the engineering projects he has performed, three projects of which will be selected from the list for review; and the Consent Order and Final Order will be a public record. The Board will issue a Final Order pending the receipt of a \$275.00 check to cover the cost of the investigation. MOTION CARRIED 5-0 with Mr. Christy recused.

LAW ENFORCEMENT – Ms. M. Elisabeth Hyde, Advisor

The Board reviewed the status of the files pending with the Board, the Investigator, and/or the Investigative Committee. The Board was briefed on the 2015-2016 statistics.

The Board reviewed the recommended order provided by Ms. Billingsley, Administrative Law Judge, who had heard the hearing on March 30, 2016 against Mr. Roddy Fitzgerald. (Cases 2015-19-C, 2015-33-C, 2015-34-C, 2015-38-C and 2015-44-C.)

16-087. IT WAS MOVED by Ms. Hyde and seconded by Mr. Grace to go into executive session in order to deliberate. Ms. Hyde, Misters Barter, Christy, Grace, Johnson, and Whorton voted in the affirmative.

Mr. Albritton, Board Attorney, concurred that the reason to go into executive session was valid. Prior to going into executive session, Mr. Barter announced that the executive session would last approximately 15 minutes. The Board went into executive session at 12:45 P.M. and came back into open session at 12:55 P.M.

16-088. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde to accept the recommendations of the Administrative Law Judge with modifications. Due to the severity of the issues, the civil penalty was increased to \$25,000 payable to the General Fund plus \$5,243.75 for the cost of the hearing payable to the Board. MOTION CARRIED 6-0.

The Board reviewed the transcript and the recommended order for Mr. James Glenn Karolyi, Case 2015-48-B (Mr. Grace directing), for a hearing that had been held without the Board present.

- 16-089. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson to accept the recommended order from the Administrative Law Judge with the modification that Mr. Karolyi's PE license will remain in suspended status until he completes the audit requirements and pays the fine and the cost of the hearing. MOTION CARRIED 5-0 with Mr. Grace recused.

The Board reviewed pending cases that the investigative committees have completed to accept, modify, or reject the suggested courses of action. Cases that are being recommended for closure or where they are recommendations from the investigative committee are discussed in a sanitized format so that in the event the Board suggests another course of action that the due process of the investigation has not been compromised. Respondent's information is not divulged until after a proposed consent order is accepted and a final order is approved.

- 16-090. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace to accept the proposed Consent Order and issue the Final Order for Case 2016-02-C. It was determined that there was probable cause that Brown Machine & Fabrication, an uncertificated firm had offered engineering and design services without employing a licensed professional engineer and obtaining a certificate of authorization for engineering. The accepted terms of the Consent Order are Brown Machine & Fabrication must cease and desist advertising engineering on its web site, the firm must pay the Board \$200 for the cost of the investigation and must pay a civil penalty of \$250 to the General Fund. The Consent Order and Final Order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 5-0 with Mr. Barter recused.

- 16-091. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde to accept the proposed Consent Order and issue the Final Order for Case 2016-03-C. It was determined that there was probable cause that Mr. James A. Mitchell, a registered architect had performed engineering without first being licensed as a professional engineer. The accepted terms of the Consent Order are that Mr. Mitchell will cease and desist the practice, or the offer to practice engineering in Alabama, he will pay the Board \$925 for the cost of the investigation and must pay a civil penalty of \$2,000 to the General Fund. The Consent Order and Final Order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 5-0 with Mr. Grace recused.

- 16-092. IT WAS MOVED by Ms. Hyde and seconded by Mr. Grace to accept the proposed Consent Order and issue the Final Order for Case 2016-04-B. It was determined that there was probable cause that Mr. John Farrior Crenshaw, PLS #29978 had signed and sealed a survey that contained violations of the standards of practice for land surveying in Alabama. The accepted terms of the Consent Order are that Mr. Crenshaw's PLS license will be suspended for 2 years with that suspension being stayed, he will pay the Board \$2500 fine, and he must provide to the Board upon request a list of surveying jobs performed within one-month period during the stayed suspension with the surveys being randomly selected for compliance review. The Consent Order and Final Order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 5-0 with Mr. Christy recused.

16-093. IT WAS MOVED by Ms. Hyde and seconded by Mr. Grace to close Case 2016-06-B with no formal action. MOTION CARRIED 5-0 with Mr. Johnson recused.

16-094. IT WAS MOVED by Ms. Hyde and seconded by Mr. Grace to close Case 2016-11-B with no formal action. MOTION CARRIED 5-0 with Mr. Johnson recused.

16-096. IT WAS MOVED by Mr. Johnson and seconded by Mr. Grace to close Case 2016-15-C with no formal action. MOTION CARRIED 6-0.

16-097. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace to accept the proposed Consent Order and issue the Final Order for Case 2016-14-B. It was determined that there was probable cause that Mr. Robin Daniel Bell, PE #32141, had plead guilty to a felony. The accepted terms of the Consent Order are Mr. Bell's PE license is revoked and he may not apply for reissuance of that license for a period of 3 years from the date of the Final Order. The Consent Order and Final Order will be a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 5-0 with Mr. Whorton recused.

APPLICATIONS – Mr. Nathan Johnson, Advisor

The Board previously authorized the Executive Director to approve applications for licensure, intern certification, and examinations if the application is in order and all requirements have been met. All applications for licensure, intern certification and examinations issued since the March 30-31, 2016 Board meeting were reviewed.

Applications of those applying for Professional Engineer licensure by comity, as provided by Section 34-11-4(1)(b) of the Licensure Law, were considered.

Applications of those applying for Professional Engineer licensure by examination, as provided by Section 34-11-4(1)a. and b. of the Licensure Law having previously passed the FE Examination in Alabama or in another jurisdiction, were considered.

Applications of those applying for Engineer Intern certification, as provided by Section 34-11-4(2) of the Licensure Law, were considered.

Applications of those applying for Land Surveyor licensure by examination, as provided by Section 34-11-4(3)a., b., and c. of the Licensure Law, were considered. Applications of those applying for Professional Land Surveyor licensure by examination having previously passed the Fundamentals of Land Surveying Examination and the Principles and Practice of Land Surveying Examination in Alabama or in another jurisdiction were considered and were approved for the Alabama Land Surveying Standards, History, and Law Examination.

16-098. IT WAS MOVED by Ms. Hyde and seconded by Mr. Grace that the Board ratify the approval of licenses issued since the March 30-31, 2016 Board Meeting and that the list of those issued be included in the minutes on **Attachment #1**; ratify the approval of Intern Certifications issued since the March 30-31, 2016 Board Meeting and that the list of those be included in the minutes on **Attachment #2**; and ratify the approval for

examination those applicants approved since the March 30-31, 2016 meeting and listed as approved on **Attachment #3**. MOTION CARRIED 6-0.

16-099. IT WAS MOVED by Ms. Hyde and seconded by Mr. Whorton that the Board defers for licensure Shae Stephen Hoschek and Ravinder Singh Bassi. MOTION CARRIED 6-0.

16-100. IT WAS MOVED by Mr. Grace and seconded by Mr. Whorton that the Board denies for licensure Mark Steven Frey and Nasser Karimzadeh. MOTION CARRIED 6-0.

16-101. IT WAS MOVED by Ms. Hyde and seconded by Mr. Grace that the Board approve for examination those applicants listed as "approved" on **Attachment #3**. MOTION CARRIED 6-0.

16-102. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace that the Board defer for examination those applicants listed as "deferred" on **Attachment #3**. MOTION CARRIED 6-0.

16-103. IT WAS MOVED by Ms. Hyde and seconded by Mr. Christy that the Board deny for examination those applicants listed as "denied" on **Attachment #3**. MOTION CARRIED 6-0.

The Board reviewed a request from Mr. Erik Vogt who was asking the Board to determine which category his education could be accepted for professional land surveying licensure. The Board determined that Mr. Vogt's BS in Building Science would be accepted as a related science category for land surveying licensure.

CERTIFICATES OF AUTHORIZATION – Mr. Marc S. Barter, Advisor

The Board previously authorized the Executive Director to issue certificates of authorization to applying firms if the application is in order and all requirements have been met. A list of the certificate of authorizations issued since the March 2016 Board Meeting were reviewed.

16-104. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson that the Board ratify the approval of the Engineering and Land Surveying Certificates of Authorization issued since the ~~February~~ ^{March} 2016 Board Meeting and that the list of those issued be included in the minutes on **Attachment #4**. MOTION CARRIED 6-0.

The Board discussed the Certificate of Authorization applications that had exceptions. The Board determined it would not discuss the application for Bowers Engineering Services, LLC until the application is complete. The staff was also asked to notify Centurion Industries about the problems with their CA.

16-105. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde to deny the application for Fontaine Engineering LLC. MOTION CARRIED 6-0.

COMMUNICATIONS – Mr. Charles Willis, Advisor

The efforts to educate the licensees on the benefits of continuing education and how to be compliant with the Board's PDH requirements were discussed. The Board was shown the brochure that had been developed that provides examples of proper classes and documentation plus examples of non-compliant PDH's. Mr. Willis is writing an article for inclusion in the June newsletter on the benefits of continuing education.

Griffin Pritchard briefed the Board on the various publication efforts that are in development or are planned. Draft brochures were reviewed. Details of the June 16th webinar on sealing requirements were briefed. The brochures will be finalized and will be available on the web site. Links to the brochures will be included in the newsletter.

LEGISLATURE – Ms. M. Elisabeth Hyde, Advisor

Legislation that had been filed in the 2016 General Session was briefed. Emphasis was placed on getting the proposed changes to the Licensure Law finalized so that legislation for 2017 can be pre-filed.

FINANCE – Mr. Richard Grace, Advisor

Financial reports for December through April were reviewed.

The Board was briefed by Robert Herbert on the proposals that he had received for the upgrade of the audio and visual board room systems. The concepts provided by Moffitt Technology, Venture Technologies, and Clear Solutions were reviewed. The Board instructed the staff to continue with the process to purchase a system.

LAND SURVEYING – Mr. A. Frazier Christy, Advisor

The Board approved the results of the April 2016 PS and state specific surveying examinations.

16-106. IT WAS MOVED by Ms. Hyde and seconded by Mr. Grace to accept NCEES' recommended cutoff score for the PS and the ALSS Examinations, to approve the results of the PS and ALSS Exams given April 2016, to license those individuals who passed the PLS and ALLS Exams having previously passed the FLS Exam and further that the list of those issued licensure as a result of passing these examinations be included in the minutes on **Attachment #1**. MOTION CARRIED 6-0.

ENGINEERING

The Board approved the results of the April 2016 PE examinations.

16-107. IT WAS MOVED by Mr. Christy and seconded by Mr. Whorton to accept NCEES' recommended cutoff score for the PE Examination, to approve the results of the PE Exam given April 2016, to license those individuals who passed the PE having previously passed the FE Exam and further that the list of those issued licensure as a result of passing these examinations be included in the minutes on **Attachment #1**. MOTION CARRIED UNANIMOUSLY.

The Board meeting adjourned at 5:20 P.M. The Board reconvened June 2, 2016 at 8:00 A.M. with all board members present.

CHAIR'S REPORT

A question had been asked if a block name in a signature block would be acceptable as an electronic signature. The Board discussed the guidance and requirements for digital signatures and seals that are contained in the Administrative Code. It was determined that a block signature met our requirements if the other requirements are met. It was noted that nothing is foolproof and that during the webinar on seals that a caution of protecting your seals/signatures and the need to keep good records should be included.

The Board reviewed the 2013, 2014, and 2015 Annual Reports.

16-108. IT WAS MOVED by Mr. Willis and seconded by Mr. Christy to accept the annual reports. MOTION CARRIED UNANIMOUSLY.

EXECUTIVE DIRECTOR'S REPORT

The Board reviewed the requests for qualifications that had been received from engineering and land surveying firms to provide a monitoring service as board technical advisors. The Board identified those firms that would be best qualified to perform the services required. Specific provisions for the contracts were identified including confidentiality statements, travel reimbursement, the requirement for E & O insurance, the maximum per hour rate, and a maximum cap on a two-year contract. Contract language meeting the agreed upon requirements will be developed and will be sent to the selected firms.

16-109. IT WAS MOVED by Mr. Willis and seconded by Mr. Christy that there should be a maximum of seven contracts for technical advisors at an hourly fee of \$50.00 for a maximum of \$50,000 in a two-year contract. Additionally, the contracted advisors should only be used on complex cases under investigation and the monitoring requirements. MOTION CARRIED UNANIMOUSLY.

The Board was briefed on the procedures that the Legislative Reference Service will be using to provide the rule making oversight responsibility that they have been given with the passage of Senate Bill 80.

The Board elected then to discuss an agenda item that had been identified in Old Business since it dealt with the oversight issue. The Board reviewed all the issues with the Quality Based Selection (QBS) requirements contained in the Board's rules.

16-110. IT WAS MOVED by Mr. Johnson and seconded by Mr. Christy that, with a sense of urgency, a request be sent to LRS asking for a review of the rules involving QBS. The request should include reference to the U.S. Supreme Court decision, the background of the rule(s) adoption, the Board's adopted position statement, and any other officially adopted society position statements. MOTION CARRIED UNANIMOUSLY.

Those that were planning on attending the NCEES Annual Meeting were identified.

16-111. IT WAS MOVED by Mr. Grace and seconded by Mr. Johnson that Mr. Christy and Ms. Hyde should be designated as the NCEES funded delegates. MOTION CARRIED UNANIMOUSLY.

OLD BUSINESS

The Board reviewed the changes proposed to the draft Position Statement on Subdivision Certification Statements that had been submitted by the Association of County Engineers.

16-112. IT WAS MOVED by Mr. Christy and seconded by Mr. Willis to adopt the Position Statement on Subdivision Certification Statements with the proposed changes. MOTION CARRIED UNANIMOUSLY.

OPEN FORUM

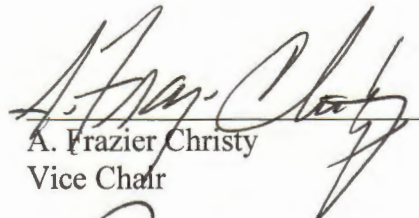

No comments made during the open forum.

CLOSING REMARKS

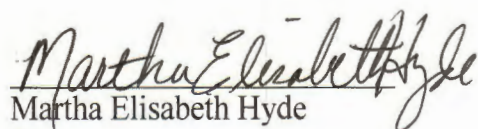

The agenda item about a renewal payment was deleted since the issue had been resolved the day of the board meeting after the agenda had been adopted. The next meeting of the Board for board business is scheduled for Wednesday, July 13, 2016 at the board office in Montgomery beginning at 1:00 P.M. The meeting adjourned at 10:45 A.M.

**MINUTES OF SIXTH MEETING
2015-2016 BOARD OF LICENSURE
FOR PROFESSIONAL ENGINEERS AND LAND SURVEYORS
Montgomery, Alabama
July 13-14, 2016**

Chair Barter called the sixth meeting of the 2015-2016 Board to order at 1:00 P.M., Wednesday, July 13, 2016 at the Board Office, Montgomery, Alabama. The following were in attendance:

Officers and Members Present:

Marc. S. Barter	Chair (not present on July 14, 2016)
A. Frazier Christy	Vice Chair
M. Elisabeth Hyde	Secretary
Richard G. Grace	Member (arrived at 2:00 P.M.)
Nathan G. Johnson	Member
Randall D. Whorton	Member

Members Absent:

Charles Willis	Member
----------------	--------

Staff Present:

Regina A. Dinger	Executive Director
William R. Huett	Assistant Executive Director
Bonnie Kelly	Executive Assistant
Benjamin Albritton	Board Attorney

It was determined that a quorum was present. The meeting was opened with the Pledge of Allegiance and a prayer. Everyone congratulated Mr. Barter on being reappointed to the Board.

The proposed meeting agenda was reviewed. Additional agenda items were identified and were added to the agenda under New Business.

16-113. IT WAS MOVED by Mr. Johnson and seconded by Mr. Christy to adopt the proposed agenda as amended. MOTION CARRIED 5-0.

Minutes of the fifth meeting of the 2015-2016 Board were received for approval.

16-114. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson that the minutes of the fifth meeting of the 2015-2016 Board held June 1-2, 2016 be approved as amended. MOTION CARRIED 5-0.

Action items from previous board meetings were reviewed. A question was raised if the Board should respond to the ASPLS Position Statement that had been provided to the Legislative Reference Service.

It was determined that at this time the Board would not comment on any of the position statements that were included in the request for a review of Administrative Rules 330- 14-.05(f) and 330-X-14-.06(a)14.

APPLICATIONS – Mr. Nathan Johnson, Advisor

The Board previously authorized the Executive Director to approve applications for licensure, intern certification, and examinations if the application is in order and all requirements have been met. All applications for licensure, intern certification and examinations issued since the June 1-2, 2016 Board meeting were reviewed.

Applications of those applying for Professional Engineer licensure by comity, as provided by Section 34-11-4(1)(b) of the Licensure Law, were considered.

Applications of those applying for Professional Engineer licensure by examination, as provided by Section 34-11-4(1)a. and b. of the Licensure Law having previously passed the FE Examination in Alabama or in another jurisdiction, were considered.

Applications of those applying for Engineer Intern certification, as provided by Section 34-11-4(2) of the Licensure Law, were considered.

Applications of those applying for Land Surveyor licensure by examination, as provided by Section 34-11-4(3)a., b., and c. of the Licensure Law, were considered. Applications of those applying for Professional Land Surveyor licensure by examination having previously passed the Fundamentals of Land Surveying Examination and the Principles and Practice of Land Surveying Examination in Alabama or in another jurisdiction were considered and were approved for the Alabama Land Surveying Standards, History, and Law Examination. Mr. Grace arrived during the discussion on applications.

16-115. IT WAS MOVED by Ms. Hyde and seconded by Mr. Whorton that the Board ratify the approval of licenses issued since the June 1-2, 2016 Board Meeting and that the list of those issued be included in the minutes on **Attachment #1**; ratify the approval of Intern Certifications issued since the June 1-2, 2016 Board Meeting and that the list of those be included in the minutes on **Attachment #2**; and ratify the approval for examination those applicants approved since the June 1-2, 2016 meeting and listed as approved on **Attachment #3**. MOTION CARRIED 6-0.

16-116. IT WAS MOVED by Mr. Johnson and seconded by Mr. Grace that the Board approves for licensure Zonglei Mua and Saddam Ahmad. MOTION CARRIED 6-0.

16-117. IT WAS MOVED by Ms. Hyde and seconded by Mr. Grace that the Board denies for licensure Mark Steven Frey and John Kee Paik. MOTION CARRIED 6-0.

16-118. IT WAS MOVED by Mr. Johnson and seconded by Ms. Hyde that the Board approves for examination those applicants listed as “approved”; defers for examination those applicants listed as “deferred”; denies for examination those applicants listed as “denied” on **Attachment #3**. MOTION CARRIED 6-0.

LAW ENFORCEMENT – Ms. M. Elisabeth Hyde, Advisor

The Board reviewed the status of the files pending with the Board, the Investigator, and/or the Investigative Committee. The Board was briefed on the 2015-2016 statistics.

The Board reviewed pending cases that the investigative committees have completed to accept, modify, or reject the suggested courses of action. Cases that are being recommended for closure or where they are recommendations from the investigative committee are discussed in a sanitized format so that in the event the Board suggests another course of action that the due process of the investigation has not been compromised. Respondent's information is not divulged until after a proposed consent order is accepted and a final order is approved.

16-119. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde to accept the proposed Consent Order and issue the Final Order for Case 2015-50-B. It was determined that there was probable cause that Mr. Russell W. Duke, PE #27813 had failed to provide the required documents to validate the continuing education courses that had been listed on his 2014 licensure renewal form. The accepted terms of the Consent Order are that Mr. Duke must pay the Board \$212 for the cost of the investigation and must pay a fine of \$1,000 to the Board, his license to practice engineering is suspended for six months with that suspension being strayed; and that he had to provide the Board by June 1, 2016 certificates showing he has completed 15 professional development hours. The Consent Order and Final Order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 5-0 with Mr. Whorton recused.

16-120. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace to accept the proposed Consent Order and issue the Final Order for Case 2016-01-B. It was determined that there was probable cause that Mr. Jeffrey H. Stricklin, PE #16480 had affixed his PE seal and signature on a certification of construction of an impoundment built on behalf of his employer that had not been properly constructed and suffered catastrophic failure. The accepted terms of the Consent Order are that Mr. Stricklin must pay a \$5,000 fine to the Board and his license to practice engineering is suspended for five years with the final three years being stayed. The Consent Order and Final Order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 5-0 with Mr. Barter recused.

16-121. IT WAS MOVED by Ms. Hyde and seconded by Mr. Grace to close Case 2016-06-B with no formal action. MOTION CARRIED 5-0 with Mr. Johnson recused.

16-122. IT WAS MOVED by Ms. Johnson and seconded by Mr. Christy to close Case 2016-17-B with no formal action. MOTION CARRIED 5-0 with Mr. Grace recused.

CERTIFICATES OF AUTHORIZATION – Mr. Marc S. Barter, Advisor

The Board previously authorized the Executive Director to issue certificates of authorization to applying firms if the application is in order and all requirements have been met. A list of the certificate of authorizations issued since the March 2016 Board Meeting were reviewed.

16-123. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde that the Board ratify the approval of the Engineering and Land Surveying Certificates of Authorization issued since the June 2016 Board Meeting and that the list of those issued be included in the minutes on **Attachment #4**. MOTION CARRIED 6-0.

The Board discussed the Certificate of Authorization applications that had exceptions. The Board determined physical addresses were required for all CA applications.

16-124. IT WAS MOVED by Mr. Johnson and seconded by Ms. Hyde to approve the CA for Southern Electrical Consulting, LLC once the application lists a physical address. MOTION CARRIED 6-0.

COMMUNICATIONS – Mr. Charles Willis, Advisor

Griffin Pritchard briefed the Board on the various publication efforts that are in development or are planned. Deadline dates for the next edition of the newsletter were set. The general topics for the four webinars per year were briefed. Rick Huett will be the presenter at the October webinar with the topic being the continuing education audit process. The comments received for the Signing and Sealing Webinar were distributed. Samples of possible recognition pins were shown.

LEGISLATURE – Ms. M. Elisabeth Hyde, Advisor

The status of the draft law changes was discussed. Possible additions to the law changes were discussed and the Board identified which changes should be incorporated into the current draft. Ben Albritton was asked to review the current draft version to see if he had any concerns/comments. Mr. Albritton's comments and the new changes will be incorporated in the current version with a new version being ready for discussion at the September board meeting.

FINANCE – Mr. Richard Grace, Advisor

Financial report for May was reviewed. The timelines for closing out FY 2016 and beginning FY 2017 were discussed. The window for the bidding of the AV system is currently closed so there will be a delay in getting the upgrade for the board room. Everyone was encouraged to get their travel documents filed.

ENGINEERING

The Board considered a request received from the University of Alabama College of Engineering. The College was asking the Board to consider the BS in Environmental Engineering and the BS in Architectural Engineering was being equivalent to ABET engineering degrees when the transcript also lists that the graduate has a double major one of which is civil engineering. It is the university's policy

to issue only one BS in Engineering so some of the time the transcripts list the BS in the unaccredited program. The Board had questions on how they would be able to know that all requirements for a BS in civil engineering had been met and deferred acting on the request until such time as representatives from the college could meet with the board.

The Board approved the results of the April 2016 SE examination results.

16-125. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace to accept NCEES' recommended cutoff score for the SE Examination, to approve the results of the SE Exam given April 2016, to license those individuals who passed the SE having previously passed the FE Exam and further that the list of those issued licensure as a result of passing these examinations be included in the minutes on **Attachment #1**. MOTION CARRIED 6-0.

CHAIR'S REPORT

The agenda items under the Chair's Report were deferred to later in the meeting.

EXECUTIVE DIRECTOR'S REPORT

The Board reviewed the requests for qualifications that had been received from engineering and land surveying firms to provide a monitoring service as board technical advisors. Some of the firms have agreed to the requirements as outlined by the Board at the last board meeting. Others have asked for an increase in the fee rate. After discussion about the requirements and how these paid advisors will be utilized a motion was made.

16-126. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace to accept the three firms that had agreed to the provisions and send a letter thanking the others for their interest. 5-1 with Mr. Johnson voting in the negative.

The Board was briefed on the level of coverage that the Department of Risk Management provides that is the state's general liability insurance and fidelity bond coverage. With the additional coverage that the Department has added for Board Members, it was determined not to seek additional private coverage.

The Board was provided the agenda, summary of motions and the convention report for the NCEES Annual Meeting to be held in August in Indianapolis, IN.

The recently issued Office of Information Technology directives were discussed. The concerns of mixing state information onto personally owned systems will be causing changes on how board members will be receiving board information. The Executive Director will develop various options that the board members will be able to use. Once those options have been identified then each board members will be able to choose which option will work best for them.

The upcoming out-of-state travel was identified. It was requested that everyone identify as soon as possible who was planning on attending the fall conferences so that the board office would be able to track the travel requests that are required to be approved by the Governor's office.

Suggestions on the format for the master calendar were discussed. The Board requested they receive one calendar that will includes deadlines and events instead of having multiple calendars.

The Board was updated on the efforts to fill the vacant account and investigator positions. An individual has been identified to be hired for the accountant position with a possible start date of July 16 and the interviewing of candidates for the investigator position will be the two weeks following the July board meeting.

In order to determine the best dates for the 2017 board meetings, the board members will be polled prior to the September board meeting so that a tentative calendar can be approved at that time.

CORRESPONDENCE

The Board reviewed a request for a declaratory opinion on the use of electronic seals/signatures when using the Building Information Modeling(BIM) software package REVIT. The consensus of the board members was that a professional engineer or professional land surveyor should never allow the seal and signature be out of their control. The documents in REVIT are not the final plans and should not be considered as such.

NEW BUSINESS

The officer for 2016-2017 year were elected.

16-127. IT WAS MOVED by Mr. Barter and seconded by Mr. Grace that Mr. Christy be elected as Chair of the Board for the 2016-2017 year. MOTION CARRIED 6-0.

16-128. IT WAS MOVED by Mr. Grace and seconded by Mr. Christy that Ms. Hyde be elected as Vice Chair of the Board for the 2016-2017 year. MOTION CARRIED 6-0.

16-129. IT WAS MOVED by Mr. Grace and seconded by Ms. Hyde that Mr. Johnson be elected as Secretary of the Board for the 2016-2017 year. MOTION CARRIED 6-0.

CHAIR'S REPORT

The Executive Director's, Deputy Director's, and Executive Assistant's job descriptions and performance appraisals were discussed. Mr. Barter was thanked for taking the lead to develop a process for the evaluation of the three appointed positions. It was noted that efforts should be made to continue to have one time to consider all the positions and ideally the annual date will be October 1. The issues and procedures for requesting pay raises for the three positions were discussed. It was identified that there are available promotion steps in the pay series that the executive assistant is filling and a motion by the board is all that is necessary. The deputy director's position would have to be moved into a higher

pay series which requires approval by the Finance Director and the State Personnel Board. A raise for the executive director would also require approval of the Finance Director and the State Personnel Board.

16-130. IT WAS MOVED by Ms. Hyde and seconded by Mr. Christy to award a 5% pay raise to Bonnie Kelly, Executive Assistant. MOTION CARRIED 6-0.

16-131. IT WAS MOVED by Ms. Hyde and seconded by Mr. Christy to request a 5% pay raise for William Huett, Deputy Director. MOTION CARRIED 6-0.

16-132. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde to request a 5% pay raise for Regina Dinger, Executive Director. MOTION CARRIED 5-1 with Mr. Barter voting in the negative.

IT WAS MOVED by Ms. Hyde and seconded by Mr. Johnson to amend the previous motion to be a 2 ½% pay raise instead of a 5% raise for the Executive Director. MOTION CARRIED 6-0.

The Board meeting adjourned at 8:15 P.M. The Board reconvened July 14, 2016 at 8:00 A.M. with Mr. Barter and Mr. Willis being absent.

FORMAL HEARING

A formal disciplinary hearing was convened at 8:05 A.M. to hear testimony concerning a complaint against Mr. David Fannon, regarding allegations that he had discredited the professional engineering profession. Mr. Fannon was represented by an attorney. A court reporter was present and a transcript of this proceeding was requested.

Ms. Dana Billingsley, contracted Administrative Law Judge, presided at this hearing. All board members present heard evidence presented by Assistant Attorney General Mr. Benjamin Albritton. The hearing was concluded at 2:45 P.M.

Ms. Billingsley will write her findings and conclusions that will be presented to the Board at a later board meeting at which time they will deliberate.

OPEN FORUM

No comments made during the open forum.

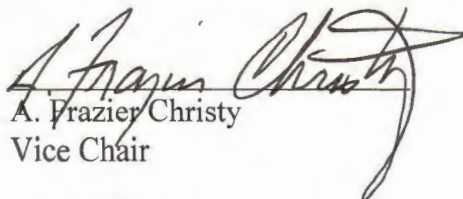

CLOSING REMARKS

The Board members were made aware that Mr. Charles Willis tendered his resignation from the Board effective immediately. He has identified that his employment responsibilities have changed and he can no longer devote the time necessary to be a board member.

The next meeting of the Board for board business is scheduled for Thursday, August, 11, 2016 at the board office in Montgomery beginning at 12:00 P.M. The meeting adjourned at 3:10 P.M.

**MINUTES OF SIXTH MEETING
2015-2016 BOARD OF LICENSURE
FOR PROFESSIONAL ENGINEERS AND LAND SURVEYORS
Montgomery, Alabama
August 11, 2016**

Chair Barter called the seventh meeting of the 2015-2016 Board to order at 8:00 A.M., Wednesday, August 11, 2016 at the Board Office, Montgomery, Alabama. The following were in attendance:

Officers and Members Present:

Marc. S. Barter	Chair
A. Frazier Christy	Vice Chair
Richard G. Grace	Member
Nathan G. Johnson	Member
Randall D. Whorton	Member

Officers and Members Absent:

M. Elisabeth Hyde	Secretary
-------------------	-----------

Staff Present:

Regina A. Dinger	Executive Director
William R. Huett	Assistant Executive Director
Bonnie Kelly	Executive Assistant
Benjamin Albritton	Board Attorney

It was determined that a quorum was present. The meeting was opened with the Pledge of Allegiance and a prayer.

The proposed meeting agenda was reviewed. Additional agenda items were identified and were added to the agenda. It was noted that with the departure of Mr. Willis there needs to be some assignments of board members as advisors to the standing committees. It was agreed that as the officers change that the incoming Board Chair assigns the advisors. Board members should identify where they wish to serve.

16-133. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace to adopt the proposed agenda as amended. MOTION CARRIED 5-0.

Minutes of the sixth meeting of the 2015-2016 Board were received for approval.

16-134. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson that the minutes of the sixth meeting of the 2015-2016 Board held July 13-14, 2016 be approved as amended. MOTION CARRIED 5-0.

HEARINGS

The hearing originally scheduled was cancelled since a signed consent order had been received. Board members were briefed in a limited manner on the particulars of the case and the provisions of the proposed consent order.

16-135. IT WAS MOVED by Mr. Johnson and seconded by Mr. Christy to accept the proposed Consent Order and issue the Final Order for Case 2015-16-C. It was determined that there was probable cause that Quin-Co, an uncertificated firm had provided a metal building that had not been engineered correctly. The provisions of the proposed Consent Order are that Quin-Co pays a \$5,00 civil penalty, pay \$700 to the Board for the cost of the investigation and that they cease and desist the offer and/or practice of engineering. The Board accepted the Consent Order and issued a Final Order contingent upon receiving the monies identified in the Consent Order prior to the next scheduled board meeting. MOTION CARRIED 4-0 with Mr. Barter recused. Case 2015-16-C)

APPLICATIONS – Mr. Nathan Johnson, Advisor

Correspondence from a previously deferred applicant was discussed. The reason why the application was originally deferred was again confirmed. The applicant will be told that the Board looks forward to seeing her and her PE supervisor at a later board meeting.

LAW ENFORCEMENT – Ms. M. Elisabeth Hyde, Advisor

The Board reviewed a pending case that the investigative committees had completed to accept, modify, or reject the suggested courses of action. The case was discussed in a sanitized format so that in the event the Board suggests another course of action that the due process of the investigation has not been compromised. Respondent's information is not divulged until after the proposed consent order is accepted and a final order was approved.

16-136. IT WAS MOVED by Mr. Johnson and seconded by Mr. Barter to accept the proposed Consent Order and issue the Final Order for Case 2016-09-B. It was determined that there was probable cause that Mr. Robert Leon Luebbers, PE #35293, had placed his signature and seal on design documents for a metal carport that did not meet stated design standards. The provisions of the Consent Order are that Mr. Luebbers pays a \$225 fine to the Board and his license to practice engineering is reprimanded. The Consent Order and Final Order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 4-0 with Mr. Grace recused.

LAND SURVEYING

The Board approved the results of the August State Specific Examination.

16-137. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson to accept the Board's recommended cutoff score for the ALSS Examination, to approve the results of the

ALSS Exam given August 10, 2016, to license the individuals who passed the ALSS Exam having previously passed the FLS and PLS Exams and further that the list of those issued licensure as a result of passing these examinations be included in the minutes on **Attachment #1. MOTION CARRIED 5-0.**

CHAIR'S REPORT

The ramifications of the recent changes to the NCEES IT system upgrades was discussed. Older NCEES records did not make the transition to the new system. Records created prior to 2008 were not converted and record holder have been told that they will have to reaccomplish the information contained in their files. This non-conversion is causing significant issues with individuals who have paid for the maintenance of their records for 10+ years, with delays in the processing of comity records, and with the increase in the workload of the jurisdictions in verifying old licenses and exam records. Many individuals will not know of the problems with their records until they seek licensure in another jurisdiction. An article will be put in the upcoming edition of the news bulletin and concerns over how these decisions were made and implemented will be brought up at the upcoming NCEES Annual Meeting.

The Board reviewed the agenda and proposed motions for the NCEES Annual meeting. It was the consensus of the Board that Finance Motion #3 should be pulled from the Consent Agenda so that the increase in examination fees could be discussed.

EXECUTIVE DIRECTOR'S REPORT

16-138. IT WAS MOVED by Mr. Johnson and seconded by Mr. Grace that the Board go into executive session. Mr. Albritton, Board Attorney, verified that the reason for entering into an executive session was valid since it involved possible litigation. Mr. Barter, Mr. Christy, Mr. Grace, Mr. Johnson, and Mr. Whorton voted in favor of the motion. MOTION CARRIED 5-0.

Mr. Barter announced the Board would reconvene into open session in approximately 60 minutes. The meeting was closed to the public. The meeting was reopened at 11:30 A.M.

16-139. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson that the request for review of the two Administrative Rule subsections previously submitted to the Legislative Reference Service Oversight Function be withdrawn. MOTION CARRIED 5-0.

16-140. IT WAS MOVED by Mr. Johnson and seconded by Mr. Christy to begin the process to repeal Rule 330-X-14-.05(f). MOTION CARRIED 4-1 with Mr. Barter voting in the negative.

16-141. IT WAS MOVED by Mr. Johnson and seconded by Mr. Christy to begin the process to repeal Rule 330-X-14-.06 (a)14. MOTION CARRIED 5-0.

16-142. IT WAS MOVED by Mr. Johnson and seconded by Mr. Christy to establish an adhoc committee to develop wording to replace Rule 330-X-14-.05(f). MOTION CARRIED 5-0.

Efforts to determine the best method to comply with the recently adopted Office of Information Technology directives about the use of personally owned mobile devices was discussed.

OLD BUSINESS

The Board briefly discussed the pending reply to Mr. Keith Maxwell's request for an interpretation on his methods of charging referral fees. It was identified that Mr. Maxwell had asked that this agenda not be discussed until he could be present at the board meeting. In-depth discussion on Mr. Maxwell's request was deferred till the September 2016 board meeting.

CORRESPONDENCE

The Board received a request to consider an amendment to their recently issued declaratory ruling on the use of electronic seals/signatures when using the Building Information Modeling software package called REVIT.

16-143. IT WAS MOVED by Mr. Johnson and seconded by Mr. Christy to accept the proposed amendment. MOTION CARRIED 5-0.

NEW BUSINESS

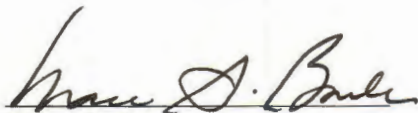

Mr. Barter made a few comments regarding concerns he had with provisions in the existing law, the existing Administrative Code and the disciplinary hearing process. He identified that he was concerned about the delay in the meeting of the Nominating Committee and the problems the Board might face when the Board consisted of 6 board members instead of the full complement of 7. He questioned the confidentiality of open investigations and the he felt that the board should accept anonymous complaints. He also identified his concern over the postponement of disciplinary hearings and if deadlines could be set as to how far in advance a consent order was still able to be signed before the scheduled hearing date.

OPEN FORUM

No comments made during the open forum.

CLOSING REMARKS

The next meeting of the Board for board business is scheduled for Wednesday, September 21, 2016 at the board office in Montgomery beginning at 12:00 P.M. The meeting adjourned at 3:00 P.M.

The hearing originally scheduled for September 22, 2016 was continued to a later date.

APPLICATIONS – Mr. Nathan Johnson, Advisor

Applicants whose applications were previously denied or deferred who wished to appear before the board did so. Mr. Riley Robertson appeared with his PE supervisors. Ms. Katherine Hollinger appeared with her PE supervisor. The Board delayed in ruling on their applications until later in the meeting.

UNFINISHED BUSINESS

Due to the number of individuals wishing to address the Board, the Board took the unfinished business regarding the proposed revisions to the Administrative Rules about procurement methods next. Representatives of ACEC, ASCE, and ASPLS spoke on behalf on their societies. Various arguments, pro and con, to the requiring of a quality based selection process for engineering and land surveying services for public and private work were made. Following the presentations there was an open discussion about QBS and the actions that the Board had already agreed to take. It was explained that the Legislative Reference Service had already been notified that the Board wished to rescind their request for the Oversight Commission to review the existing rules. Per the direction of Mr. Barter, Board Chair, action to submit the proposed repealing for the public comment period had been delayed until this board meeting. A quick review of the rule making process was done so all individuals understood the process and timing involved. Some individuals believed that it was better to not to move forward in the repealing of the existing rules without having substitute language.

16-146. IT WAS MOVED by Mr. Christy and seconded by Mr. Whorton to rescind Motions 16-140 and 16-141 which had been passed at the July 2016 board meeting. MOTION CARRIED 3-1 with Mr. Johnson voting in the negative.

Upon conclusion of this discussion the Board resumed the original agenda order.

Action items from previous meeting were reviewed.

APPLICATIONS – Mr. Nathan Johnson, Advisor

The Board previously authorized the Executive Director to approve applications for licensure, intern certification, and examinations if the application is in order and all requirements have been met. All applications for licensure, intern certification and examinations issued since the July 2016 Board meeting were reviewed.

Applications of those applying for Professional Engineer licensure by comity, as provided by Section 34-11-4(1)(b) of the Licensure Law, were considered.

Applications of those applying for Professional Engineer licensure by examination, as provided by Section 34-11-4(1)a. and b. of the Licensure Law having previously passed the FE Examination in Alabama or in another jurisdiction, were considered.

Applications of those applying for Engineer Intern certification, as provided by Section 34-11-4(2) of the Licensure Law, were considered.

Applications of those applying for Land Surveyor licensure by examination, as provided by Section 34-11-4(3)a., b., and c. of the Licensure Law, were considered. Applications of those applying for Professional Land Surveyor licensure by examination having previously passed the Fundamentals of Land Surveying Examination and the Principles and Practice of Land Surveying Examination in Alabama or in another jurisdiction were considered and were approved for the Alabama Land Surveying Standards, History, and Law Examination.

16-147. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson that the Board ratify the approval of licenses issued since the July 2016 Board Meeting and that the list of those issued be included in the minutes on **Attachment #1**; ratify the approval of Intern Certifications issued since the July 2016 Board Meeting and that the list of those be included in the minutes on **Attachment #2**; and ratify the approval for examination those applicants approved since the July 2016 meeting and listed as approved on **Attachment #3**. MOTION CARRIED 4-0.

16-148. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson that the Board defers for licensure Chung Ho Chung, denies for examination Jessica Henson and approves for examination Matthew Strother and Heather McDonald. MOTION CARRIED 4-0.

The Board met with Mr. George Matthew Taylor, a previously denied applicant, and his PE supervisor about the status of the application. Additional information was presented on work experience.

16-149. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson that the Board approves Mr. Taylor to sit for the PE examination. MOTION CARRIED 4-0.

16-150. IT WAS MOVED by Mr. Christy and seconded by Mr. Whorton that the Board approves Ms. Hollinger to sit for the PE examination. MOTION CARRIED 4-0.

16-151. IT WAS MOVED by Mr. Johnson and seconded by Mr. Barter that the Board defers for examination Mr. Robertson as he is 12 months short of acceptable engineering experience and further that Mr. Robertson be told that if the experience is in the area of construction engineering that it must be in the areas identified in the depth portion of the NCEES construction engineering examination. MOTION CARRIED 4-0.

LAW ENFORCEMENT – Ms. M. Elisabeth Hyde, Advisor

The Board reviewed the status of the files pending with the Board, the Investigator, and/or the Investigative Committee. The Board was briefed on the 2015-2016 statistics.

The Board reviewed the recommended order for Mr. David J. Fannon, Case 2014-30-B (Mr. Barter directing), that had been written by the Administrative Law Judge. The Board had also been presented the response to the ALJ's recommendations. This was for a hearing that had been held with the Board present.

- 16-152. IT WAS MOVED by Mr. Johnson and seconded by Mr. Whorton to accept the recommended order from the Administrative Law Judge which calls for a \$2,500 fine, payment of the cost of the hearing with both being paid within 30 days. MOTION CARRIED 3-0 with Mr. Barter recused.

The Board reviewed a pending case that the investigative committees had completed to accept, modify, or reject the suggested courses of action. The case was discussed in a sanitized format so that in the event the Board suggests another course of action that the due process of the investigation has not been compromised. Respondent's information is not divulged until after the proposed consent order is accepted and a final order was approved.

- 16-153. IT WAS MOVED by Mr. Johnson and seconded by Mr. Whorton to close Case 2016-13-B with no formal action. MOTION CARRIED 3-0 with Mr. Christy recused.

- 16-154. IT WAS MOVED by Mr. Johnson and seconded by Mr. Whorton to close Case 2016-23-B with no formal action. MOTION CARRIED 4-0.

- 16-155. IT WAS MOVED by Mr. Johnson and seconded by Mr. Whorton to close Case 2016-24-B with no formal action. MOTION CARRIED 4-0.

CERTIFICATES OF AUTHORIZATION – Mr. Marc S. Barter, Advisor

The Board previously authorized the Executive Director to issue certificates of authorization to applying firms if the application is in order and all requirements have been met. A list of the certificate of authorizations issued since the July 2016 Board Meeting were reviewed.

- 16-156. IT WAS MOVED by Mr. Christy and seconded by Mr. Barter that the Board ratify the approval of the Engineering and Land Surveying Certificates of Authorization issued since the July 2016 Board Meeting and that the list of those issued be included in the minutes on **Attachment #4**. MOTION CARRIED 4-0.

The Board discussed the Certificate of Authorization applications that had exceptions.

- 16-157. IT WAS MOVED by Mr. Johnson and seconded by Mr. Christy to approve the application for Lake Superior Consulting LLC. MOTION CARRIED 4-0.

- 16-158. IT WAS MOVED by MR. Christy and seconded by Mr. Whorton to deny the application for The Design Group Inc. MOTION CARRIED 3-1 with Mr. Johnson voting in the negative.

- 16-159. IT WAS MOVED by Mr. Johnson and seconded by Mr. Whorton to deny the application for Frameworks Construction & Remodeling LLC. MOTION CARRIED 4-0.

COMMUNICATIONS – Mr. Marc Barter, Advisor

Griffin Pritchard briefed the Board on the various communication efforts that are in development or are planned. Details of the October webinar on continuing education requirements and the audit procedures requirements were briefed.

EXECUTIVE DIRECTOR'S REPORT

The Board was briefed on the NCEES Annual Awards. It was decided to submit Mr. Gerald Wilbanks, PE for the Distinguished Exam Service Award instead of the Distinguished Service Award.

The Board looked at the proposed 2017 board meeting dates. Formal adoption of the calendar was deferred to the November board meeting.

The Board was updated on the requirements for the protection of sensitive information as outlined by the Office of Information Technology Directives. The staff was directed to purchase new tablets for board use.

OLD BUSINESS

It was emphasized that the revision to the draft law need to be completed so that the legislation could be prefiled for the 2017 Legislative General Session. Once finalized communications will be sent to all licensees explaining the requested law changes and asking for their support in passing the legislation.

CORRESPONDENCE

At the request of Mr. Maxwell, the discussion of Mr. Maxwell's request for an opinion was deferred to a later meeting.

NEW BUSINESS

Mr. Christy commented that he had received notification that Bob Zahl from Oklahoma is running for Southern Zone VP and is seeking Alabama's support.

OPEN FORUM

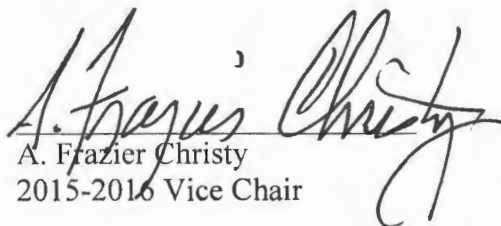

No comments made during the open forum.

17-003. IT WAS MOVED by Mr. Whorton and seconded by Mr. Johnson that the minutes of the first meeting of the 2016-2017 Board held October 20, 2016 be approved as written. MOTION CARRIED 5-0.

CHAIR'S REPORT – Mr. A. Frazier Christy

Agenda Item M-1 regarding the Qualification Based Selection (QBS) rules in the Administrative Code was taken out of order and discussed briefly. On the advice of Board Counsel, AG Ben Albritton, the Board determined it would go into Executive Session to discuss possible litigation. Attorney Albritton advised that this was a matter that could be discussed in Executive Session.

17-004. IT WAS MOVED by Mr. Barter and seconded by Ms. Hyde that the Board enter into Executive Session for (30) thirty minutes to discuss possible litigation. The MOTION CARRIED 5-0 with Mr. Christy, Ms. Hyde, Mr. Johnson, Mr. Whorton and Mr. Barter all voting in the affirmative.

The Board went into Executive Session at 1:15 PM.

The Board exited Executive Session at 1:50 PM.

17-005. IT WAS MOVED by Mr. Barter and seconded by Mr. Johnson to submit notice to the Legislative Reference Services its desire to amend Administrative Code Rule 330-X-14-.05(f) and Rule 330-X-14-.06(14) and to schedule a public hearing on the matter. MOTION CARRIED 5-0.

17-006. IT WAS MOVED by Mr. Barter and seconded by Mr. Johnson to develop language related to Qualification Based Selection for the purpose of including it in the Rules of the Administrative Code to be submitted to the Legislative Reference Services. MOTION CARRIED 5-0.

Board Member Richard G. Grace arrived at 2 PM and began participating in the Board Meeting.

CORRESPONDENCE

Agenda Item P-1 regarding a request made by Mr. Keith Maxwell, professional engineer and professional land surveyor was taken out of order for discussion.

Mr. Maxwell inquired if it was permissible for him to accept a monetary fee based on him referring land surveying work to professional land surveyors. The Board considered this request and also reviewed marketing websites created by Mr. Maxwell. After it's review and discussion Mr. Maxwell was advised that he could accept a fee for referral of professional land surveying services, and he must change the language in his website "banners" to show the name of his certificated firm.

Upon conclusion of these discussions the Board resumed the original agenda order.

The Board reviewed Action items from previous Board meetings that were assigned to Board sub-committees.

APPLICATIONS – Mr. Nathan Johnson, Advisor

The Board previously authorized the Executive Director to approve applications for licensure, intern certification, and examinations if the application is in order and all requirements have been met. All

applications for licensure, intern certification and examinations issued since the September 2016 Board meeting were reviewed.

Applications of those applying for Professional Engineer licensure by comity, as provided by Section 34-11-4(1)(b) of the Licensure Law, were considered.

Applications of those applying for Professional Engineer licensure by examination, as provided by Section 34-11-4(1)a. and b. of the Licensure Law having previously passed the FE Examination in Alabama or in another jurisdiction, were considered.

Applications of those applying for Engineer Intern certification, as provided by Section 34-11-4(2) of the Licensure Law, were considered.

Applications of those applying for Land Surveyor licensure by examination, as provided by Section 34-11-4(3)a., b., and c. of the Licensure Law, were considered. Applications of those applying for Professional Land Surveyor licensure by examination having previously passed the Fundamentals of Land Surveying Examination and the Principles and Practice of Land Surveying Examination in Alabama or in another jurisdiction were considered and were approved for the Alabama Land Surveying Standards, History, and Law Examination.

17-007. IT WAS MOVED by Mr. Grace and seconded by Mr. Barter that the Board ratify the approval of licenses issued since the September 2016 Board Meeting and that the list of those issued be included in the minutes on **Attachment #1**. MOTION CARRIED 6-0.

17-008. IT WAS MOVED by Mr. Grace and seconded by Ms. Hyde that the Board ratify the approval of Intern Certifications issued since the September 2016 Board Meeting and that the list of those be included in the minutes on **Attachment #2**. MOTION CARRIED 6-0.

17-009. IT WAS MOVED by Mr. Grace and seconded by Mr. Johnson that the Board ratify the approval for examination those applicants approved since the September 2016 meeting and listed as approved on **Attachment #3**. MOTION CARRIED 6-0.

17-010. IT WAS MOVED by Mr. Grace and seconded by Mr. Johnson that the Board accept for licensure by comity those applicants listed on **Attachment #1**. MOTION CARRIED 6-0.

17-011. IT WAS MOVED by Mr. Grace and seconded by Mr. Barter that the Board accept for intern certification those applicants listed on **Attachment #2**. MOTION CARRIED 6-0.

17-012. IT WAS MOVED by Mr. Grace and seconded by Mr. Johnson that the Board defer for licensure Pisan Kiattisin and Roger Lewis Blair. MOTION CARRIED 6-0.

17-013. IT WAS MOVED by Mr. Grace and seconded by Mr. Johnson that the Board deny for licensure Phillip Wayne Carroll, Michelle Marie Chadwick and Abed Yousef Ghanem. MOTION CARRIED 6-0.

LAW ENFORCEMENT – Ms. M. Elisabeth Hyde, Advisor

The Board reviewed the status of the files pending with the Board, the Investigator, and/or the Investigative Committee. The Board was briefed on the 2015-2016 statistics.

The Board reviewed pending cases that the investigative committees had completed to accept, modify, or reject the suggested courses of action. The cases were discussed in a sanitized format so that in the event the Board suggests another course of action that the due process of the investigation has not been compromised. Respondent's information is not divulged until after the proposed consent order is accepted and a final order was approved.

17-014. IT WAS MOVED by Mr. Johnson and seconded by Mr. Grace to close Case 2016-28-B with no formal action. MOTION CARRIED 5-0 with Ms. Hyde recused.

17-015. IT WAS MOVED by Ms. Hyde and seconded by Mr. Barter to revoke the professional engineer license of Russell Wade Duke, for non-compliance with an agreed upon Consent Order that had been previously accepted regarding Case 2015-50-B. MOTION CARRIED 5-0 with Mr. Whorton recused.

17-016. IT WAS MOVED by Ms. Hyde and seconded by Mr. Grace that the Board accept the Consent Order and issue a Final Order in reference to Case 2015-37-C. MOTION CARRIED 5-0 with Mr. Barter recused.

CERTIFICATES OF AUTHORIZATION – Mr. Randall D. Whorton, Advisor

The Board previously authorized the Executive Director to issue certificates of authorization to applying firms if the application is in order and all requirements have been met. A list of the certificate of authorizations issued since the September 2016 Board Meeting were reviewed.

17-017. IT WAS MOVED by Ms. Hyde and seconded by Mr. Whorton that the Board ratify the approval of the Engineering and Land Surveying Certificates of Authorization issued since the September 2016 Board Meeting and that the list of those issued be included in the minutes on **Attachment #4**. MOTION CARRIED 6-0.

The Board discussed the Certificate of Authorization applications that had exceptions.

17-018. IT WAS MOVED by Ms. Hyde and seconded by Mr. Johnson to approve the application for CMST Structural Engineering LLC. MOTION CARRIED 6-0.

17-019. IT WAS MOVED by Ms. Hyde and seconded by Mr. Johnson to approve the application for Environmental Management & Data Solutions LLC. MOTION CARRIED 6-0.

COMMUNICATIONS – Mr. Marc Barter, Advisor

None.

LAND SURVEYING – EDUCATION & EXAMINATIONS – Mr. Frazier Christy - Advisor

The Board approved the results of the November State Specific Examinations.

17-020. IT WAS MOVED by Ms. Hyde and seconded by Mr. Barter to accept the Board's recommended cutoff score for the ALSS Examination, to approve the results of the ALSS Exam given November 1, 2016 and November 15, 2016, to license the individuals who passed the ALSS Exam having previously passed the FLS and PLS Exams and further that the list of those issued licensure as a result of passing these examinations be included in the minutes on **Attachment #1**. MOTION CARRIED 6-0.

Staff briefed the Board that NCEES no longer notifies the Board when PS examination results are available, and staff must check the NCEES website each Wednesday to determine if an applicant has received a passing score on the examination. Staff recommended the Board create a policy to facilitate an exam results approval method.

17-021. IT WAS MOVED by Mr. Whorton and seconded by Mr. Barter to establish a policy to accept the NCEES recommended cutoff scores and approve the results for all exams and authorizes the Board Staff to license and/or certify those individuals who passed the exams. Staff will provide a list of those who passed and were licensed and/or certified at future board meetings for ratification. MOTION CARRIED 6-0.

EXECUTIVE DIRECTOR'S REPORT

Those that were planning on attending the NCEES Joint Northeast/Southern Zone meeting were identified.

17-022. IT WAS MOVED by Mr. Barter and seconded by Mr. Grace that Mr. Christy, Ms. Hyde and Mr. Johnson be designated as the NCEES funded delegates. MOTION CARRIED 6-0.

The Board reviewed the proposed 2017 board meeting dates. The Board adopted a partial calendar for 2017 that included meetings on January 31st, February 1st, May 9th and May 10th. The Board will review the calendar again at its January 2017 meeting to select additional meeting dates.

Staff briefed the Board that beginning with the 2017 renewal year, individuals selected for the continuing professional competency audit will be notified prior to renewing their license.

Upcoming Conferences and Meetings that require out of state travel requests were briefed.

OLD BUSINESS

Ben Albritton, Board Counsel provided his recommendations regarding the proposed law changes the Board wishes to submit for consideration by the Legislature in the 2017 session. The Board proposed contacting a Representative and a Senator to sponsor the legislation.

CORRESPONDENCE

The Board reviewed correspondence from James J. Mallet, professional engineer, that requested the Board consider issuing a position statement outlining a professional engineer's responsibilities when they become aware of safety concerns and the approving authority failed to address the issue. The Board determined to send a letter to Mr. Mallett informing him that the law is self-explanatory, and that once you have notified the proper authority you have satisfied the requirement.

The Board reviewed correspondence from Galen Long requesting the Board consider approving a Remote Supervision Agreement between him and Don Noakes, a Canadian licensed professional engineer.

17-023. IT WAS MOVED by Mr. Johnson and seconded by Mr. Barter to approve the Remote Supervision Agreement proposed by Galen Long. MOTION CARRIED 6-0.

The Board reviewed correspondence from James J. Mallet, professional engineer, that requested the Board advise if professional engineers had the right to enter property in the performance of their job duties, similar to the right of entry afforded to professional land surveyors. The Board determined it would send Mr. Mallet a letter advising him the current law only applies to professional land surveyors.

The Board reviewed correspondence from candidates interested in serving as the NCEES Southern Zone Vice President.

The Board considered correspondence from the Alabama Engineering Hall of Fame requesting it sponsor a table at the Engineering Hall of Fame Induction ceremony. The Board understood from previous research that it cannot sponsor this event.

The Board meeting adjourned at 5:50 P.M. The Board reconvened November 17, 2016 at 8:00 A.M.

FORMAL HEARING

A formal disciplinary hearing was convened at 8:15 A.M. to hear testimony concerning a complaint against Mr. William Robert Rainey, regarding allegations that he had discredited the professional engineering profession. Mr. Rainey did not attend. A court reporter was present and a transcript of this proceeding was requested.

Ms. Dana Billingsley, contracted Administrative Law Judge, presided at this hearing. All board members present heard evidence presented by Assistant Attorney General Mr. Benjamin Albritton. The hearing concluded at 8:50 A.M.

Ms. Billingsley will write her findings and conclusions that will be presented to the Board at a later board meeting at which time they will deliberate.

The formal disciplinary hearing regarding Reid Steel Truss Inc., was not held; instead a proposed consent order was presented to the Board for consideration.

FINANCE – Mr. Richard Grace, Advisor

The Board reviewed and approved the proposed budget for FY 2017-2018.

17-022. IT WAS MOVED by Mr. Johnson and seconded by Ms. Hyde to ratify the proposed FY 2017-2018 budget. MOTION CARRIED 6-0.

CHAIR'S REPORT – Mr. A. Frazier Christy

The Board discussed developing language for the purpose of keeping Qualification Based Selection in the Administrative Code, and the procedures for amending existing rules and adding new rules to the Administrative Code. The Board determined that it would meet again on December 7, 2016 to continue the language development process.

Chair Christy inquired if any Board Members wished to change their sub-committee assignments. Ms. Hyde agreed to direct the committees for Certificates of Authorization and Engineering Education. Mr. Whorton agreed to direct the Legislation committee.

NEW BUSINESS

None.

**MINUTES OF THIRD MEETING
2016-2017 BOARD OF LICENSURE
FOR PROFESSIONAL ENGINEERS AND LAND SURVEYORS
Montgomery, Alabama
December 7, 2016**

Chair Christy called the third meeting of the 2016-2017 Board to order at 8:00 A.M., Wednesday, December 7, 2016 at the Board Office, Montgomery, Alabama. The following were in attendance:

Officers and Members Present:

A. Frazier Christy	Chair
M. Elisabeth Hyde	Vice Chair
Marc S. Barter	Member
Richard G. Grace	Member
Randall D. Whorton	Member

Member Arriving After Start of Meeting:

Nathan G. Johnson	Secretary (initially on phone at 8:35 A.M. and arrived at 9:40 A.M.)
-------------------	--

Staff Present:

Regina A. Dinger	Executive Director
William R. Huett	Assistant Executive Director
Bonnie Kelly	Executive Assistant
Ben Albritton	Board Attorney

It was determined that a quorum was present. The meeting was opened with the Pledge of Allegiance and a prayer.

The proposed meeting agenda was reviewed.

17-025. IT WAS MOVED by Mr. Barter and seconded by Ms. Hyde to adopt the proposed agenda as proposed. MOTION CARRIED 5-0.

Minutes of the second meeting of the 2016-2017 Board were received for approval.

17-026. IT WAS MOVED by Ms. Hyde and seconded by Mr. Grace that the minutes of the second meeting of the 2016-2017 Board held November 16-17, 2016 be approved as corrected. MOTION CARRIED 5-0.

CHAIR'S REPORT – Mr. A. Frazier Christy

Mr. Christy explained how he wished to proceed with this section of the meeting. He opened the discussion by recapping previous discussions on the qualification based selection process (QBS) language. Mr. Barter asked Mr. Albritton, Board Attorney, for his opinion if the current sitting Board

has state immunity for actions taken by previous boards and secondly, if under the current oversight regulations, would the Board have state immunity if new/amended rules are approved through the oversight process.

Mr. Albritton explained that the Supreme Court of the United States (SCOTUS) decision on the North Carolina Dental Board case changed what has been referred to as the "Parker Immunity" for boards. If a board has active market participants as controlling members of a board, there is no longer blanket immunity. A second aspect of the immunity question is if there is a clear and articulated mandate for the board's rule or action.

A discussion on the SCOTUS decision involving NSPE and how it applied to the QBS issue and the Board was held.

Mr. Christy identified that the Board had received position letters from some societies. The letters had been included with the board agenda. He gave an opportunity to all those in attendance to make short statements. Representatives from the Society of Structural Engineers reiterated that they wish to have some form of QBS in the Administrative Rules. ACEC reiterated that it was their opinion that the NSPE case involved a national trade organization and not a state licensing board and did not believe that it should be taken into consideration. ASCE made note that the Mississippi language that was being discussed had differing requirement for engineering and land surveying.

Upon conclusion of the comment period it was noted that two proposals for new language had been provided by Mr. Barter and Mr. Johnson. Mr. Barter provided his proposal and the rationale for it.

Mr. Johnson arrived at 9:40 A.M. Upon his arrival, Mr. Johnson provided his proposal and his rationale. The Board determined it would work from Mr. Barter's proposal to develop acceptable language. Through the inputs from board members a draft amendment was developed.

17-027. IT WAS MOVED by Ms. Hyde and seconded by Mr. Barter to accept the draft language which is to be put in the correct format and then to submit notice to the Legislative Reference Services its desire to amend Administrative Code Rule 330-X-14-.05(f) and to schedule a public hearing on the matter. MOTION CARRIED 5-1 with Mr. Johnson voting in the negative.
