BOARD OF LICENSURE FOR  
PROFESSIONAL ENGINEERS AND  
LAND SURVEYORS

IN RE THE MATTER OF:

MICHAEL A. PANETHIERE

Case No. 09-313-B

CONSENT ORDER

Michael A. Panethiere (hereinafter referred to as "Respondent") hereby stipulates and agrees, subject to approval of the State of Alabama Board of Licensure for Professional Engineers and Land Surveyors (hereinafter referred to as the "Board") as follows:

STIPULATED FACTS

Respondent stipulates on December 9, 2005 he obtained a professional engineer license (license number 27364) from the Board and has held that license continuously since that date.

Respondent stipulates he received a letter from the Board dated March 18, 2009 stating he had been selected at random for audit of the continuing professional competency credits he obtained in order to renew his professional engineer license in the State of Alabama for 2009. Said letter requested Respondent respond no later than April 20, 2009.

Respondent stipulates he received a letter dated May 7, 2009 from the Board (via certified and regular mail) advising he had been selected at random for audit of the continuing professional competency credits he obtained in order to renew his professional engineer license in the State of Alabama for 2009. Said letter requested Respondent respond no later than May 26, 2009. Respondent stipulates he did not respond to that letter.

Respondent stipulates on July 29, 2009 a letter was sent (via certified and regular mail) informing Respondent the Board had initiated a complaint regarding his failure to provide the documents supporting his earned continuing professional competency credits for 2008. Said letter informed Respondent that as of July 23, 2009 his Professional Engineer license for the State of Alabama had been suspended by the Board until the audit requirements were met, and Respondent was instructed to respond to the letter prior to August 17, 2009.

Respondent stipulates he contacted the Board via telephone on August 8, 2009 and explained he had mistakenly failed to respond to the Board's March 18, 2009 letter due to confusion between the Alabama Board's request and a request from another State. On August 14, 2009, Respondent provided documentation to the Board in the form of a letter, a continuing education log and documents that indicate he obtained sufficient professional development hours to renew his license for 2009.

#### STIPULATED CONCLUSIONS OF LAW

Respondent, in his capacity as a licensed Professional Engineer in the State of Alabama, admits in such capacity that he is subject to the provisions of Title 34, Chapter 11, Code of Alabama 1975, § 34-11-11 and the jurisdiction of the Board.

Respondent stipulates his conduct as set forth in the foregoing "Stipulated Facts" constitutes violations of Title 34 Chapter 11, Code of Alabama 1975, §34-11-11(a)(2), and the Board's *Administrative Code* § 330-X-14-.06(a)(15) and § 330-X-13-.02(14)(b).

Respondent stipulates his conduct set forth in the "Stipulated Facts" is a violation of those rules and statues set forth above, and he is subject to disciplinary action under Title 34, Chapter 11, Code of Alabama 1975, § 34-11-11.
