

How to Request a Retired Professional Engineer or Professional Land Surveyor Title

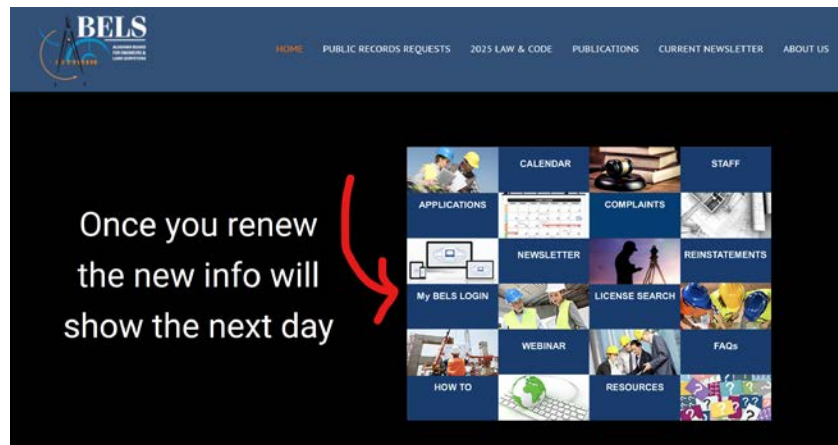

11/4/25

IMPORTANT: BE VERY CAREFUL WHEN SELECTING THIS OPTION. WHEN YOU REQUEST THE RETIRED PROFESSIONAL ENGINEER TITLE OR RETIRED PROFESSIONAL LAND SURVEYOR TITLE, YOU NO LONGER HAVE A LICENSE. YOU CANNOT PRACTICE ENGINEERING OR SURVEYING. YOU ONLY HAVE A TITLE NOT A LICENSE.

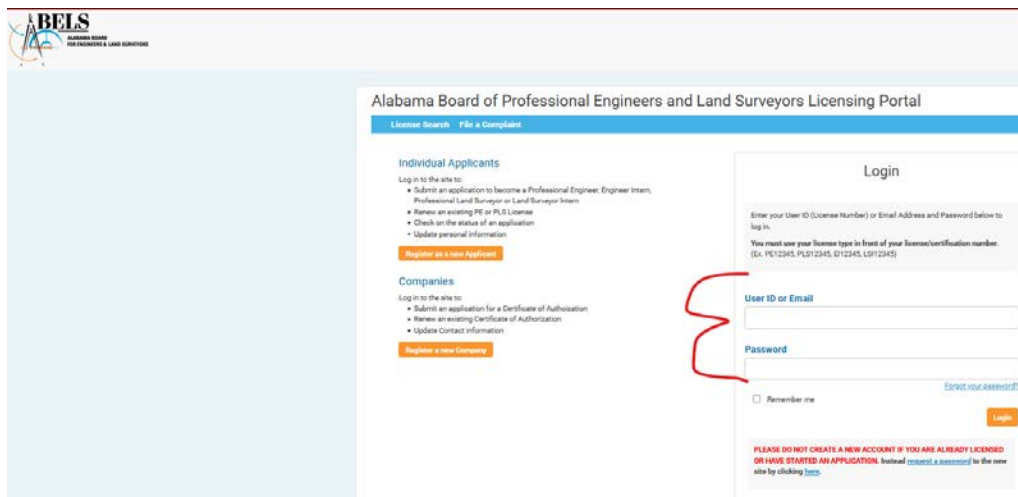

Once you request the title and it has been granted, if in the future you want to practice again, you would be required to file a new application and meet the requirements at the time of application. This could include retaking the exams if you are not currently licensed in some other state.

You will be asked to confirm your selection of this option.

- Go to the website (www.bels.alabama.gov) and Click My BELS Login

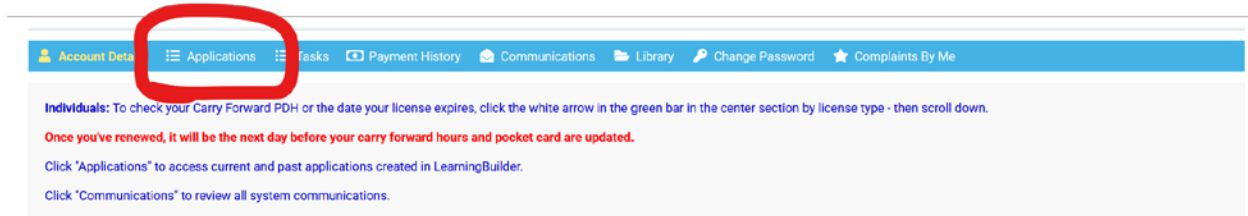

- Login to your account

- Type your Name and Select the Date
- Click Continue

Request Retired Title Designation: Request Retired Title

- I understand that I am requesting to be allowed to use the title "Professional Engineer, Retired" or "Professional Land Surveyor, Retired" as applicable.
- I understand that once this title designation is granted, I no longer hold a license to practice in the state of Alabama.
- I understand if I wish to be licensed at a future date I must submit an application that meets the current licensure requirements.

Finish Later

Continue

- If you are sure you no longer want a license, Click Ok. **(Once you click ok, it CANNOT be undone. You will be required to file a new application as if you have never been licensed)**

Are you sure?

Are you sure you want to request the Retired Title?

You will not longer have a license and cannot practice.

If you want to practice in the future, you will be required to file a new application as if you have never been licensed (verifications, references, etc.) and meet the current requirements.
