

**ALABAMA BOARD OF LICENSURE FOR
PROFESSIONAL ENGINEERS AND LAND SURVEYORS
MINUTES – AUGUST 13, 2026
Montgomery, Alabama**

The Alabama Board of Licensure for Professional Engineers and Land Surveyors was established by legislative action in 1935. Its charter is to protect the public by helping to safeguard life, health, and property, and to promote the public welfare by providing for the licensing and regulation of persons in the practices of engineering and land surveying. This purpose is achieved through the establishment of minimum qualifications for entry into the professions of engineering and land surveying, through the adoption of rules defining and delineating unlawful or unethical conduct, and through swift and effective discipline for those individuals or entities who violate the applicable laws or rules.

Board meeting notices are posted on the Open Meetings area of the website of the Secretary of State, and the Board’s website under Calendar. The public can also attend the meeting virtually via the “Board Meeting” link on the website.

Chair Robinson called the meeting to order at 8:00 A.M., Thursday August 13, 2026, at the Board Office in Montgomery, Alabama. He noted there was a quorum of Members present, and the following Members and Staff were in attendance.
